LEGAL NOTICE

Sealed bids will be received by the City Engineer on behalf of the Director of Administration, City of Wooster, State of Ohio, at the office of said Engineer, 538 N. Market Street, P.O. Box 1128, 44691-7082 until twelve o'clock noon, Wednesday, February 3, 2021 for the **2020 WATERLINE REPLACEMENTS** in accordance with the specifications on file in said office.

Project Description: The replacement of existing waterlines on portions of McKinley Street, Washington Street, and W. Henry Street with approximately 6,018 feet of 8" ductile iron water pipe & fittings and appurtenances, including 140 water service replacements. The project is partially funded by the Ohio Public Works Commission.

Project Cost: The Engineer's estimated construction cost for this project is $1,100,000.

Project Completion Date: The final completion date for all work is September 1, 2021.

In accordance with ORC 153.54, each bid must contain the full name of every person or company interested in the same, and be accompanied by a bidding bond or a certified check in the amount of 10% of the bid price as a guaranty that if the bid is accepted, a contract will be entered into and its performance secured OR provide a contract bond for 100% of the bid amount.

Copies of the contract documents are on file in the office of the City Engineer, City of Wooster, Ohio and are available for inspection by prospective bidders by appointment in the office or on the City's bidding information webpage https://www.woosteroh.com/engineering/bidding-information. Bidders must register as plan holders via the City's ViewPoint website and pay for the plans $40.00 per set, none of which is refundable. Plans and specifications can be shipped via FedEx, UPS, or picked up at the office of the City Engineer by appointment. Bidders must be registered for their bids to be considered.

Bidders must comply with the prevailing wage rates on Public Improvements in Wayne County and the City of Wooster, Ohio as determined by the Ohio Department of Industrial Relations.

All contractors and subcontractors involved with the project will, to the extent practicable use Ohio Products, materials, services, and labor in the implementation of their project. Additionally, contractor compliance with the equal employment opportunity requirements of Ohio Administrative Code Chapter 123, the Governor's Executive Order of 1972, and Governor's Executive Order 84-9 shall be required.

Bidders are required to use the forms which will be furnished on application.

Contact the City Engineer at 330-263-5251 for all questions and requests for additional information.

By order of the Director of Administration.

_____
Joel Montgomery, P.E.
Director of Administration
