Ms. Knapic conducted a public hearing on the zoning of .526 acres (being petitioned for annexation) to a R-2 (Single Family Residential) District for property located at the northeast corner of Mechanicsburg Road and Crosswind Court. Zoning approval is contingent upon two lots being re-platted into one. (Petitioner is Habitat for Humanity.) Matthew Long, agent for the petitioner, addressed council and answered council members' questions.

Mr. Buytendyk also announced that Ms. Knapic will hold a public hearing regarding a Planning Commission zoning recommendation on September 3, 2013 at 7:30p.m. Also on September 3rd, Mr. Steiner will be holding a work session on the council of governments in council chambers starting at 6:00pm

Ms. Knapic moved, seconded by Mr. Steiner, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

VII. NEW BUSINESS

1. First Reading – ORDINANCE NO. 2013-27 AN ORDINANCE ACCEPTING APPLICATION FOR THE ANNEXATION OF TERRITORY LOCATED ON THE EAST SIDE OF MELROSE DRIVE, NORTH OF ITS INTERSECTION WITH PORTAGE ROAD, AND CONTIGUOUS TO THE CORPORATION LIMITS (Morris Stutzman, Esq., Agent for Petitioners Bruce and Jodi Steiner) (Knapic)

Ms. Knapic stated that this ordinance is to accept the annexation application for a property on Melrose Drive. Ms. Knapic introduced Mr. Morris Stutzman, who is the agent for the petitioners. Mr. Stutzman addressed council to describe briefly the previous steps in this annexation request and offered to answer any questions that council may ask. Ms. Knapic pointed out that there is also a zoning ordinance on the agenda for this property that will have a public hearing at council's next meeting. Ms. Knapic asked that council leave this legislation on first reading so that both the annexation ordinance and the zoning ordinance could be voted on at the September 3, 2013 meeting.

2. First Reading – ORDINANCE NO. 2013-28 AN ORDINANCE VACATING AN UNNAMED EAST/WEST ALLEY IN THE CITY OF WOOSTER (BETWEEN S. BEVER AND S. BUCKEYE STREETS) (Ulbright)

Mr. Ulbright stated that council held a public hearing on this alley vacation request at their previous meeting. No one in attendance had any comments on the issue. Mr. Ulbright noted that Mr. Covert owns all of the property touched by the alley, so a public hearing was not required but was held in an effort to be thorough.

Mr. Ulbright moved, seconded by Mr. Ansel, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Mr. Ulbright moved, seconded by Mr. Steiner, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

3. First Reading – ORDINANCE NO. 2013-29 AN ORDINANCE AMENDING TITLE ELEVEN, ZONING, OF THE CODIFIED ORDINANCES OF THE CITY OF WOOSTER, OHIO, SO AS TO ZONE NEWLY-ANNEXED LAND (0.661 ACRES) TO AN R-2 (SINGLE FAMILY RESIDENTIAL) DISTRICT FOR PROPERTY LOCATED ON THE EAST SIDE OF MELROSE DRIVE, NORTH OF ITS INTERSECTION WITH PORTAGE ROAD (Knapic)

Ms. Knapic reiterated that this ordinance is a companion piece to Ordinance 2013-27. Ms. Knapic asked to leave this legislation on first reading so that it can be voted on at the next city council meeting after the public hearing on the zoning for the property.

4. First Reading – ORDINANCE NO. 2013-30 AN ORDINANCE AMENDING TITLE ELEVEN, ZONING, OF THE CODIFIED ORDINANCES OF THE CITY OF WOOSTER, OHIO, SO AS TO ZONE NEWLY-ANNEXED LAND (0.526 ACRES) TO AN R-2 (SINGLE FAMILY RESIDENTIAL) DISTRICT FOR PROPERTY LOCATED ON THE EAST SIDE OF MECHANICSBURG, NORTH OF ITS INTERSECTION WITH CROSSWIND COURT (Knapic)

Ms. Knapic stated that this legislation relates to Ord. 2013-26, which was passed earlier under old business. This legislation applies to the zoning of that annexed property.

Ms. Knapic moved, seconded by Mr. Silvestri, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Mr. Silvestri asked if anyone knew of any reason why this piece of property was not annexed into the city limits when the Crosswind Court property was annexed. Mr. Buytendyk stated that the Crosswind Court property and this parcel were not owned by the same entity at that time, so it is likely for that reason that this property remained in the county. Mr. Long added that a house previously existed on that property and was demolished, but he could only speculate as to why the previous owner did not seek an annexation.

Ms. Knapic moved, seconded by Mr. Silvestri, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

5. First Reading – ORDINANCE NO. 2013-31 AN ORDINANCE AMENDING CHAPTER 351, PARKING GENERALLY, OF THE CODIFIED ORDINANCES OF THE CITY OF WOOSTER, OHIO, BY ADOPTING A PROHIBITION AGAINST PARKING VEHICLES OF ANY DESCRIPTION UPON THE PUBLIC RIGHT OF WAY AND UTILIZING SUCH VEHICLES FOR HUMAN HABITATION, AND DECLARING AN EMERGENCY (Knapic)

Ms. Knapic began by stating that a situation has arisen prompting the city to address persons living in their vehicles along the city streets. She thanked the audience members who attended and spoke up regarding this legislation. Ms. Knapic went on to describe the conditions that would constitute human habitation of a vehicle and that this legislation would make violation of this ordinance a first-degree misdemeanor. Ms. Knapic also stated that, due to the public's concern, the legislation contains an emergency clause making it in effect as soon as it is approved by the mayor. Mr. Ansel asked if this ordinance, as drafted, would be enforceable and if other municipalities have similar laws that they have been able to enforce. Ms. Knapic responded that she had spoken with Mr. Benson regarding this legislation. He had contacted other municipalities with similar laws and was told that it eliminated the problems they were having in their communities. Mr. Montgomery also added that city administration contacted the Wayne County Prosecutor's office to make sure that they would be willing to enforce such a law. The prosecutor's office responded that they would. Mr. Silvestri asked if anyone knew why the individual in the current situation would not accept assistance and if the ordinance would be too constraining on someone falls asleep in their car while waiting on someone else in their vehicle. Police Chief Fisher responded that his department has had frequent contact with the individual and went so far as to attempt to connect the gentleman with his brother to facilitate the gentleman moving on. The individual stated that he is staying, would not leave, and does not want assistance from any local agencies or service organizations. Ms. Knapic also added that the legislation is not aimed at any one in particular but at the circumstances. She added that there are also health and sanitation issues involved with these types of circumstances that need to be addressed. Mr. Cavin sought clarification that an individual could not simply move their vehicle and thereby circumvent the ordinance. Ms. Knapic replied that the way the legislation is worded, that it would not matter if someone were to move the vehicle as long as it continued to be used as a place of human habitation. Mr. Buytendyk further explained that the six-hour limit is also independent of the other criteria, making the definition of human habitation a broad one.

Ms. Knapic moved, seconded by Mr. Ulbright, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Ms. Knapic moved, seconded by Mr. Ansel, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

6. First Reading – ORDINANCE NO. 2013-32 AN ORDINANCE AMENDING CHAPTER 123, DEPARTMENT OF ADMINISTRATION, OF THE CODIFIED ORDINANCES OF THE CITY OF WOOSTER, OHIO, TO PROVIDE FOR THE REORGANIZATION OF THAT DEPARTMENT, AND DECLARING AN EMERGENCY (Knapic)

Ms. Knapic explained that this ordinance would create the division of Business and Organizational Support and that Human Resources and Information Technology would be moved to that division. These two departments are closely related in the type of services that they provide to the city and it would be beneficial to have the two within the same department. Mr. Silvestri sought clarification on the wording of the ordinance, particularly that the language allows for the appointment of a director of the division. Mr. Montgomery explained that Chapter 123 contains language providing for a director in any division in case the need should arise, but there are no plans for that to occur. Ms. Knapic stated that this is a reorganization of existing departments and will not add any additional employees.

Ms. Knapic moved, seconded by Mr. Ansel, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Ms. Knapic moved, seconded by Mr. Steiner, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

7. First Reading – ORDINANCE NO. 2013-33 AN ORDINANCE LEVYING SPECIAL ASSESSMENTS FOR THE IMPROVEMENT OF AKRON ROAD BETWEEN CERTAIN TERMINI BY GRADING, DRAINING, WIDENING, PAVING, RESURFACING, CONSTRUCTING CURBS, GUTTERS, SIDEWALKS AND DRIVEWAY APPROACHES, CONSTRUCTING A TURNING LANE, INSTALLING STORM SEWERS, CATCH BASINS, MANHOLES, WATER MAINS, FIRE HYDRANTS, AND TRAFFIC CONTROL SIGNS AND DEVICES, AND ACQUIRING ANY REAL ESTATE AND INTERESTS THEREIN REQUIRED THEREBY, ALL TOGETHER WITH THE NECESSARY APPURTENANCES THERETO, AND DECLARING AN EMERGENCY (Ulbright)

Mr. Ulbright noted that council had passed the resolution of necessity in January 2011, which is the first step in a construction project such as this one. The terminal points of the project described in this legislation are from Old Airport Road to Gateway Drive. This legislation would officially set the figures that are to be collected from property owners affected by the project. Mr. Ulbright asked Mr. Montgomery to explain why there was a difference between the lower dollar figure in an earlier draft of the legislation and higher dollar figure in the final draft. Mr. Buytendyk clarified that the dollar figure in this legislation refers to the resolution of necessity and, therefore, must be the same as in that previous legislation.

Mr. Ulbright moved, seconded by Mr. Steiner, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Mr. Ulbright moved, seconded by Ms. Knapic, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

8. First Reading – ORDINANCE NO. 2013-34 AN ORDINANCE AMENDING CHAPTER 925, STORM DRAINAGE, OF THE CODIFIED ORDINANCES OF THE CITY OF WOOSTER, OHIO, BY UPDATING THE APPLICABLE CHARGE IN CERTAIN ZONING DISTRICTS AND MODIFYING THE CHARGE FOR PROPERTIES WITHIN AN ESTABLISHED FLOODWAY (Knapic)

Ms. Knapic explained that this legislation came about as a result of a storm water audit that was performed earlier in the year. The audit revealed numerous updates that need to be made to storm water billing accounts. Several zoning districts have been created since the current storm water drainage ordinance was drafted. Therefore, this legislation seeks to add those zoning districts to the ordinance. Ms. Knapic added that several businesses that exist in those zoning districts are located in the established floodway. This legislation allows up to a 50% reduction in the storm sewer fees for those properties.

Ms. Knapic moved, seconded by Mr. Silvestri, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Ms. Knapic moved, seconded by Mr. Silvestri, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

9. First Reading – ORDINANCE NO. 2013-35 AN ORDINANCE AMENDING CHAPTER 162, MANAGEMENT BENEFITS, OF THE CODIFIED ORDINANCES OF THE CITY OF WOOSTER, OHIO TO CONFORM TO A RECENT REORGANIZATION (Knapic)

Ms. Knapic stated that this legislation is similar to Ord. 2013-32 in that it does not add any employees, but seeks to fill vacancies with current employees.

Ms. Knapic moved, seconded by Mr. Steiner, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Ms. Knapic moved, seconded by Mr. Ansel, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

10. First Reading – ORDINANCE NO. 2013-36 AN ORDINANCE AUTHORIZING THE DIRECTOR OF ADMINISTRATION TO ENTER INTO A TECHNICAL SERVICES CONTRACT WITH A QUALIFIED VENDOR FOR THE CONSTRUCTION AND MAINTENANCE OF A COMMUNICATIONS TOWER AND RELATED FACILITIES ON CITY-OWNED PROPERTY; AND DECLARING AN EMERGENCY (Cavin)

Mr. Cavin informed council that he had spoken with Mr. Montgomery regarding this proposal. He added that while he would be glad to try to answer questions, Mr. Montgomery would be best suited to provide details on this legislation. Mr. Montgomery stated that letters were sent to property owners using the legal record on the Wayne County Auditor's website. There was no intent to deceive or limit any information that was sent to property owners as was alluded to in the public comments portion of the council meeting. Mr. Montgomery went on to explain that the intent of notifying the property owners was so that they could come to the council meeting to ask questions and to obtain further detail. City administration wished to keep the legislation on first reading so as to allow more time for public input and review. Mr. Montgomery directed the audience attention to several photographs that he provided to show where the pole would be placed and how it would look from various angles in the neighborhood. The Winter Street water tower will be torn down by the end of 2014. Wooster Community Hospital gave the City \$1.5 million towards the cost of removing the Winter Street tower and to pay for part of the new water tower that will eventually be built on the former Layton School property. Mr. Montgomery also explained that the city has telemetry for the water and sewer system and radio systems for fire, police, and maintenance located on the water tower. The city needs to have a place to install those systems after the Winter Street water tower is taken down. Additionally, water towers are not constructed to withstand the wear and tear created by the extra equipment, so the city would like to have a stand-alone solution for these systems. The city would lose approximately \$54,000 per year in rental revenue from cell phone service providers if it does not find a location to replace the water tower. The city would issue a request for proposals from at least two companies that construct these types of towers. Regarding council minutes 08019013.doc

location, Mr. Montgomery stated that the city is searching for the best possible location for these utilities as it is important to maintain the city's utility telemetry system. Mr. Cavin clarified that the proposed pole is to be a monopole, which Mr. Montgomery confirmed and said a monopole would be better-looking than a lattice-type pole. Any company that the city would select to construct the pole would be required to provide landscaping and fencing. Mr. Ulbright asked about the safety of the pole as it was a question raised by an audience member during the public comment portion of the meeting. Mr. Montgomery stated that poles of this type are designed to specifications that include resistance to severe weather. He stated that he was not aware with any cell phone towers in the area that were adversely affected by any of the tornadoes that have come through the Wooster area in recent years. Ms. Knapic asked if there were any other towers like this in the city and if there were any safety issues in the past. Mr. Montgomery stated that he was unsure if there were other monopoles, but did specify a few locations that have lattice-type poles. He is unaware of any safety issues with these other poles. Ms. Knapic asked about the tower site and how it is determined on a piece of property. Mr. Montgomery stated that the area specified is a 100' by 100' area and is proposed to be located on the east end of what was formerly the school playground. The ordinance was left on first reading.

11. First Reading – RESOLUTION NO. 2013-70 A RESOLUTION AUTHORIZING THE DIRECTOR OF ADMINISTRATION TO PURCHASE VEHICLES IN ACCORDANCE WITH THE CAPITAL PLAN FOR 2013 (Ulbright)

Mr. Ulbright informed council members that the Public Properties Maintenance division is requesting authorization to purchase a new dump truck to be used for water and sewer repairs in the city. The city will rotate the current dump truck into the fleet for continued use. Half of the \$150,000.00 cost of the truck will come from the water fund and the other half from the sewer fund. The city plans to use the State of Ohio bid program to get the best possible price for the vehicle. Mr. Silvestri asked if the purchase of this truck would allow the city to put more resources towards preventative maintenance of the water and sewer lines, and specifically, root treatment. Mr. Montgomery responded that is the intent of purchasing the truck.

Mr. Ulbright moved, seconded by Mr. Silvestri, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

12. First Reading – RESOLUTION NO. 2013-71 A RESOLUTION AUTHORIZING THE DIRECTOR OF ADMINISTRATION TO ENTER INTO A PROFESSIONAL SERVICES CONTRACT WITH OHM ADVISORS OF GAHANNA, OHIO FOR COMPREHENSIVE PLANNING SERVICES (Ansel)

Mr. Ansel explained that the city's charter recommends the city review and update the comprehensive plan every 10 years. Because the process is expensive, it was deferred due to budgetary constraints. Mr. Ansel advised that the process takes a great deal of technical knowledge and that it is advisable to hire a firm that specializes in developing these types of plans. The city solicited proposals from several firms and evaluated each of them using various criteria. Council members were provided the scoring matrix for each of the evaluated firms showing OHM as the highest scoring firm. Mr. Silvestri asked with whom the city had worked to create the current comprehensive plan as well as what criteria were involved with the interview portion of the selection process. Mr. Andrew Dutton, Planning and Zoning Manager, responded that Wolpert was the firm that had worked with the city on the current comprehensive plan. Mr. Dutton went on to explain that OHM was extremely well prepared, had researched Wooster well, and brought their whole team to the interview. Ms. Knapic asked if council could cap the amount that the city was allowed to spend on the plan review. Mr. Ansel responded that a 'not to exceed' amount could be included in the proposal process. Mr. Montgomery added that there is only so much budgeted for this process. Mr. Ulbright asked if OHM, or whichever company is chosen, would be willing to come back to the city and help with implementation. Mr. Montgomery responded that OHM is a full-service firm, so implementation and troubleshooting would be part of the agreement. Mr. Buytendyk commented that since the firms had been thoroughly vetted and because he trusts the judgment of those involved, he would suggest that council consider voting on the

measure at this meeting as opposed to waiting. Mr. Cavin asked that members wait so that they could review the information that was presented.

13. First Reading – RESOLUTION NO. 2013-72 A RESOLUTION AUTHORIZING THE DIRECTOR OF ADMINISTRATION TO ADVERTISE ACCORDING TO LAW AND ENTER INTO A CONTRACT WITH THE LOWEST AND BEST BIDDER FOR THE RESURFACING OF PORTIONS OF LARWILL AND MARKET STREETS, AND DECLARING AN EMERGENCY (Ulbright)

Mr. Ulbright stated that this item is not budgeted, but was added to the project list after the city residents approved the income tax increase. Funds would be transferred from the general fund to cover the cost. The project would include resurfacing Larwill Street between Beall Avenue and Market Street and resurfacing Market Street between Liberty Street and Larwill Street. Mr. Ulbright also stated that passing this ordinance would demonstrate to the public that the city intends to fulfill the commitment it made to repairing and upgrading the city infrastructure. Ms. Knapic asked if adding this project to the current list of projects. Mr. Montgomery stated that this will be added to the current list and will not bump any other projects.

Mr. Ulbright moved, seconded by Mr. Silvestri, to suspend the rules and place on third and final reading. Upon roll call, motion carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

Mr. Ulbright moved, seconded by Mr. Ansel, to adopt. Upon roll call, motion to adopt carried unanimously (Ansel-yes; Cavin-yes; Knapic-yes; Sanders-yes; Silvestri-yes; Steiner-yes and Ulbright-yes).

VIII. MISCELLANEOUS

Mr. Buytendyk asked council members to check their email regarding a suggested change in the way the council agendas are sent out and to provide feedback to the clerk.

IX. ADJOURNMENT

Mr. Ulbright moved, seconded by Ms. Knapic, to adjourn. Motion carried and meeting so adjourned at 9:45 p.m.
