**REQUEST FOR AGENDA ITEM
AUTHORIZATION FOR CONTRACT**

Division: **Administration**

Meeting Date Requested: **April 6, 2015**

Project Name: **Safety Center Proposals**

Approved for Agenda:

=====

1. Estimated Total Cost: **The preliminary estimated cost for a combined police and fire safety center is \$7,000,000, including construction, design and construction management.**

2. Is the full amount budgeted? YES or **NO**. If no, how is the purchase to be funded? **Funds would need to be appropriated from the unencumbered balance in the Capital Improvement Fund.**

3. Description of Purchase: **Request to advertise and solicit proposals for design-build services for a new Police and Fire Safety Center, and to enter into a contract with the firm who submits the lowest and best proposal.**

4. Justification\Benefits: **The City's current Fire and Police facilities are outdated, undersized and poorly located to serve the citizens and businesses of Wooster in 2015 and beyond. A new Fire station and Police station are required to best serve the current needs of the City.**

In addition, a Police and Fire Safety Center is a large, complex project requiring more resources and expertise than exists within the City organization. A design-build project delivery process will allow the City to match a high quality, high performing designer with a high quality, high performing contractor to deliver a quality project while limiting project performance issues.

5. Will this project affect the city's operating costs? **The City's operating costs should not be greatly affected. With a new Police station, the O&M cost currently paid to the County for use of space at the Justice Center will be avoided.**

6. What alternatives exist and what are the implications of the alternatives. **The alternative to not constructing a new Fire station is reduced response times to the developed area of the City north of Milltown Road. Expanding the Police station to the appropriate size requires a new facility, as space is not available at the Justice Center.**

Alternatives to the design-build delivery method would be the traditional design-bid-build process, with a separate construction manager contract. This process traditionally takes longer, and on large, complex projects can result in more change orders and construction delays.

7. Is this a sole source request? YES **NO** If yes, explain the circumstances:

8. Are you requesting suspension of the rules and passage on one reading? If yes, note reasons. **No.**

Description (be as descriptive as possible, given space limitations)

A request is hereby made to authorize the purchase of the former ODOT garage on West Old Lincoln Way. This property is immediately adjacent to the City owned bio-tower site. ODOT has agreed to “give” the property to the City for \$100, for use as our Utility Division operations site, including equipment and material storage.

Title work indicates that the property has been owned and operated by the State of Ohio since at least 1957, originally as the State Highway Patrol, then the Ohio Department of Highways since 1962.

Extensive environmental records have been reviewed and determined that no significant environmental issues are present.

Please see the attached document for an analysis of the existing and proposed facilities usage for the City’s Distribution and Collection Division.

Please note that ODOT is willing to lease the upper office space for anywhere between \$200 and \$1000 per month, depending on the usage for future projects.

Is there a need for rules suspension or time limitation when this must be passed?

No.

Facility Analysis for D&C – Former ODOT Garage on West Old Lincoln Way:

Square footage total **currently using** for office/material storage/vehicles: **10,000sq ft.**

-1171 Mechanicsburg rd: 7000sq ft of office/material storage/vehicles & equipment

-1151 Mechanicsburg rd: 700sq ft material storage

-1020 Old Columbus(water treatment plant): 250sq ft office/lockers & 1500sq ft vehicles/material storage

-1123 Old Columbus (sewer plant): 550sq ft material storage

Square footage total **at state garage** for office/storage/vehicles: **22,000sq ft.**

Our current building at 1171 Mechanicsburg (as far as I know, from the research I've done) is sitting on 30 to 60 feet of landfill/construction debris from the old city dump. Being a pole barn type of construction building we are experiencing quite a few settlement issues. They include but are not limited to, concrete floors settling, drywall cracking (some places as much as 1" separation) and sinkholes in the drive/parking/yard areas. In 2009 we spent \$10656.80 replacing part of the floor in the shop because of settlement, and I think it is likely to happen again.

A few of the benefits of the new building would be:

Having all of the employees I supervise work out of the same place.

Better inventory control (all materials in one place and under roof)

More secure, we would have a chain link fence surrounding the buildings.

Additional salt storage for the PPM Division.

Below are a few advantages that PPM could benefit utilizing the current D & C Building (6528 S.F.)

- PPM currently stores many pieces of equipment outside that get weathered over time. Being stored inside would better preserve the equipment and in turn require less maintenance. Some the equipment currently not under roof includes: asphalt paver, road grader, tractor with flail mower and other smaller pieces of equipment.
- With the additional amount of storage PPM would be able to store all of our equipment under roof. The additional space would enable PPM to have both heated and/or cold storage because of how the building is divided. Non-seasonal equipment would be stored in the building so that employees will not have to travel back and forth from the PPM Building throughout the day to utilize different pieces of equipment.

PPM would not run any of the daily operations from the current D & C Building. It would only be used for storage.

Section 2: Authorized Principal Amount and Purpose; Application of Proceeds. This Council determines that it is necessary and in the best interest of the City to issue bonds of the City in one lot in the maximum principal amount of \$7,000,000 (the Bonds) for the purpose of paying costs of constructing, furnishing, and equipping a City safety center to house the police department and the fire department, and otherwise improving the site therefor, together with the necessary appurtenances thereto, including the payment of expenses related to the issuance of the Bonds.

The aggregate principal amount of Bonds to be issued shall not exceed \$7,000,000 and shall be issued in an amount determined by the Fiscal Officer in the Certificate of Award to be the aggregate principal amount of Bonds required to be issued, taking into account any premium above or discount from the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, in order to effect the purpose for which the Bonds are to be issued, including the payment of any expenses properly allocable to the issuance of the Bonds.

The proceeds from the sale of the Bonds (except any premium and accrued interest) shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for

the purpose for which the Bonds are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 3: Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in the Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award, provided that their dated date shall not be more than 60 days prior to the Closing Date.

(a) Interest Rates and Interest Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of 12 30-day months) as shall be determined by the Fiscal Officer in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements (as hereinafter defined and described) on the Principal Payment Dates in principal amounts as shall be determined by the Fiscal Officer, subject to subsection (c) of this Section, in the Certificate of Award, consistent with the Fiscal Officer's determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the Fiscal Officer's determination of the best interest of and financial advantages to the City, the Fiscal Officer shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (Mandatory Redemption Dates) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that (i) the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year and (ii) the true interest cost of the Bonds does not exceed 6%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon

presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Fiscal Officer, in the name and on behalf of the City, in connection with the book entry system.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those dates, for which provision is made in the Certificate of Award (such dates and amounts being the Mandatory Sinking Fund Redemption Requirements).

The aggregate of the money to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Fiscal Officer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Fiscal Officer, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption

Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities, if any, specified in the Certificate of Award shall be subject to redemption by and at the sole option of the City, in whole or in part in integral multiples of \$5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Fiscal Officer in the Certificate of Award; provided that (a) the earliest optional redemption date shall not be more than 10½ years after the Closing Date and (b) the redemption price for the earliest optional redemption date shall not be greater than 102%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Fiscal Officer to the Bond Registrar, given upon the direction of this Council through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of \$5,000 or any integral multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (a) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (b) for

issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the fifteenth day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Section 7, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If that money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All money held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the money so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4: Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Fiscal Officer, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the

Original Purchaser and approved by the Fiscal Officer, shall be numbered as determined by the Fiscal Officer in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code and this Ordinance.

The Huntington National Bank is appointed to act as the initial Bond Registrar; provided, however, that the Fiscal Officer is authorized to appoint a different Bond Registrar in the Certificate of Award after determining that such bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The Fiscal Officer shall sign and deliver, in the name and on behalf of the City, the Bond Registrar Agreement between the City and the Bond Registrar, in substantially the form as is now on file with the Clerk of Council. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Fiscal Officer on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5: Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Fiscal Officer and the Bond Registrar. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in

the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book Entry System. Notwithstanding any other provisions of this Ordinance, if the Fiscal Officer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and so long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book entry interest owners of Bonds in book entry form shall not have any right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book entry interests in Bonds in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Fiscal Officer may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Fiscal Officer does not or is unable to do so, the Fiscal Officer, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Fiscal Officer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with a book entry system for the Bonds.

Section 6: Award and Sale of the Bonds.

(a) Original Purchaser Designated in Certificate of Award. The Bonds shall be sold to the Original Purchaser at a purchase price, not less than 97% of their aggregate principal amount, to be determined by the Fiscal Officer in the Certificate of Award, plus accrued interest on the Bonds from their date to the Closing Date, and shall be awarded by the Fiscal Officer with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance. The Fiscal Officer is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The Fiscal Officer shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Fiscal Officer, the Director of Law, the Clerk of Council and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Fiscal Officer, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Bonds and (iv) complete and sign that official statement as so approved together with such certificates, statements or other

documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Fiscal Officer is authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Fiscal Officer is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Fiscal Officer shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Fiscal Officer, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) Financial Advisor; Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Fiscal Officer, the (i) engagement of the services of a financial advisor or (ii) filing of an application for (A) a rating on the Bonds by one or more nationally-recognized rating agencies, or (B) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the Fiscal Officer is authorized to engage a financial advisor and prepare and to submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the fees of a financial advisor or the cost of obtaining each such rating or policy from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Fiscal Officer is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with the engagement of a financial advisor or of obtaining that bond insurance.

The expenditure of the amounts necessary to engage a financial advisor and/or secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser, is authorized and approved, and the Fiscal Officer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise

from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 7: Provisions for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. Nothing in this section in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 8: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Fiscal Officer, or any other officer of the City having responsibility for the issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation of the Bonds as “qualified tax-exempt obligations”), choice, consent, approval or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in

writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Section 9: Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and a signed copy of the Certificate of Award to the Wayne County Auditor.

Section 10: Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Fiscal Officer is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 11: Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 12: Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken in open meetings of this Council or committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 13: Declaration of Emergency; Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and

FISCAL OFFICER'S CERTIFICATE

TO THE COUNCIL OF THE CITY OF WOOSTER, OHIO:

As fiscal officer of the City of Wooster, Ohio, I certify in connection with your proposed issue of bonds in the maximum principal amount of \$7,000,000 (the Bonds) for the purpose of paying costs of constructing, furnishing, and equipping a City safety center to house the police department and the fire department, and otherwise improving the site therefor, together with the necessary appurtenances thereto (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.
2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is 25 years, being my estimate of the life or period of usefulness of the improvements. If and to the extent a portion of the proceeds of the Bonds may be determined to be allocated to a class or classes having a maximum maturity of less than 25 years but in excess of five years, then the maximum maturity of the Bonds would still be at least 25 years by reason of a sufficient portion of the proceeds of the Bonds allocated to a class or classes having a maximum maturity or an estimated period of usefulness in excess of 25 years.
