☐ The above business entity is not required to file a 2012 Wooster income tax return because it has ceased all operations effective _____

☐ The above business entity is not required to file a 2012 Wooster income tax return because it has not done any business within the City of Wooster in 2012 or fiscal period noted above. In addition, the company did not have any physical assets located within Wooster, and did not pay compensation to employees for services performed in Wooster during this period. The company expects to do business within Wooster in the following fiscal period. For this reason, it should be left on active filing status for following years.

☐ The above business entity is not required to file a 2012 Wooster income tax return because it has not done any business within the City of Wooster in 2012 or fiscal period noted above. In addition, the company did not have any physical assets located within Wooster, and did not pay compensation to employees for services performed in Wooster during this period. The company does not expect to do business within Wooster in the future. Please de-activate this tax account. If we again do business within Wooster, we will notify Wooster's income tax office.

☐ Other: Attach explanation.
