

WOOSTER POLICE DEPARTMENT

2011 ANNUAL REPORT

February 24, 2012

The Honorable Mayor Robert Breneman
City of Wooster
538 North Market St.
Wooster, Ohio 44691

Dear Mayor Breneman,

It is my pleasure to present to you and to the Wooster City Council the Wooster Police Department's 2011 Annual Report.

The past year was challenging for the Wooster Police Department, beginning with a major change in our daily operations--in-car reporting. This system was purchased to allow officers to complete reports on the computer, doing away with the old system of paper reporting. In-car reporting has taken considerable time and patience to understand. While it has been a rocky road, the officers have tackled the change with persistence, and its use becomes easier and more efficient every day.

It was, unfortunately, also an unusual year for officer injuries. The Department had six officers on extended injury leave (each at least two months in length) throughout 2011. This put a serious strain on manpower, especially with regard to those working the road every day. However, the officers rose to the challenge, doing more with less, and though strained, they provided the usual high quality service to the citizens of Wooster.

The year 2011 saw the retirement of Chief Steven Glick as he pursued new opportunities at the College of Wooster. With his retirement came new promotions, including: Sergeant Scott Rotolo to the position of Lieutenant and Patrolman Victor Nedoma to the position of Sergeant. Unfortunately, Sergeant Nedoma was injured in a SWAT training accident in September of 2011. He has been focused and determined as he works through his recovery, and we are optimistic that he will return to full duty.

Despite the challenges we faced in 2011, the Department continued many of its specialized programs, including: bike patrol, canine teams and the School

Mayor Breneman
February 24, 2012
Page 2

Resource Officer/DARE program. In addition to these programs, the Department also provided gun safety/awareness training to many children in the Wooster City Schools and in private schools through "The Eddie Eagle Program", which focuses on teaching young children what to do in the event they locate an unattended firearm.

Drugs continue to be an ongoing problem for the City. Wooster appears to be the center of the drug trade in Wayne County, and the use of illegal drugs and prescription drug abuse have a direct link to many other local crimes, including burglaries, thefts and frauds. The Department is doing its best with limited resources to attack these problems at the street level. We continue to cooperate with Medway and other state and federal agencies to have an impact on this serious issue.

The Department also investigated a homicide in 2011. While the true motive for the homicide may never be known, the hard work and man hours put in by the Department's Detective Bureau regarding this case did not go unrewarded. After several weeks on the run, the fugitive suspect was located and arrested in Mississippi. He is currently awaiting trial for his crime.

While homicides remained unchanged (1) between 2010 and 2011, the Department's Part One offenses (major crimes) showed a slight increase from 1109 to 1131 (an increase of about 2 percent). Rapes saw the largest decrease, dropping nearly 20 percent (from 33 to 26) while felony assaults and burglaries also dropped 3 and 4 percent, respectively. On the other hand, robberies and motor vehicle thefts each increased about 30 percent. Thefts saw a small increase, rising from 800 to 822.

The top calls for service for 2011 included: Suspicious Activity/Persons: 1220; Thefts: 1099; Disorderly Disturbance: 1066; Alarms: 858; and Traffic Crashes: 883.

Traffic enforcement also increased in 2011, with warnings increasing from 1285 to 1658 and traffic citations increasing from 1880 to 1907. Traffic accidents increased slightly from 853 to 883.

We have included a new chapter in this annual report comparing the Wooster Police Department in 2011 to the Wooster Police Department from 1975. Some of the results may be surprising, but it is certainly an interesting view of the Department.

Mayor Breneman
February 24, 2012
Page 3

Finally, I would like to take a minute and express my sincere appreciation to every employee of the Police Division. They are a hard-working and dedicated group of some of the finest men and women I have ever met. It is an honor to lead this Department and be associated with such a fine group of people.

Respectfully,

Matthew D. Fisher
Chief of Police
Wooster Police Department

*IN MEMORY OF THOSE WHO HAVE
FALLEN...*

In honor and tribute to these officers of the Wooster Police Department who heroically and selflessly gave their lives while protecting the citizens of this community. The ultimate sacrifice made by these fallen officers shall never be forgotten.

Patrolman Ralph W. Henderson –

Shot in the line of duty – June 23, 1912

Died from the resulting wound – July 3, 1912

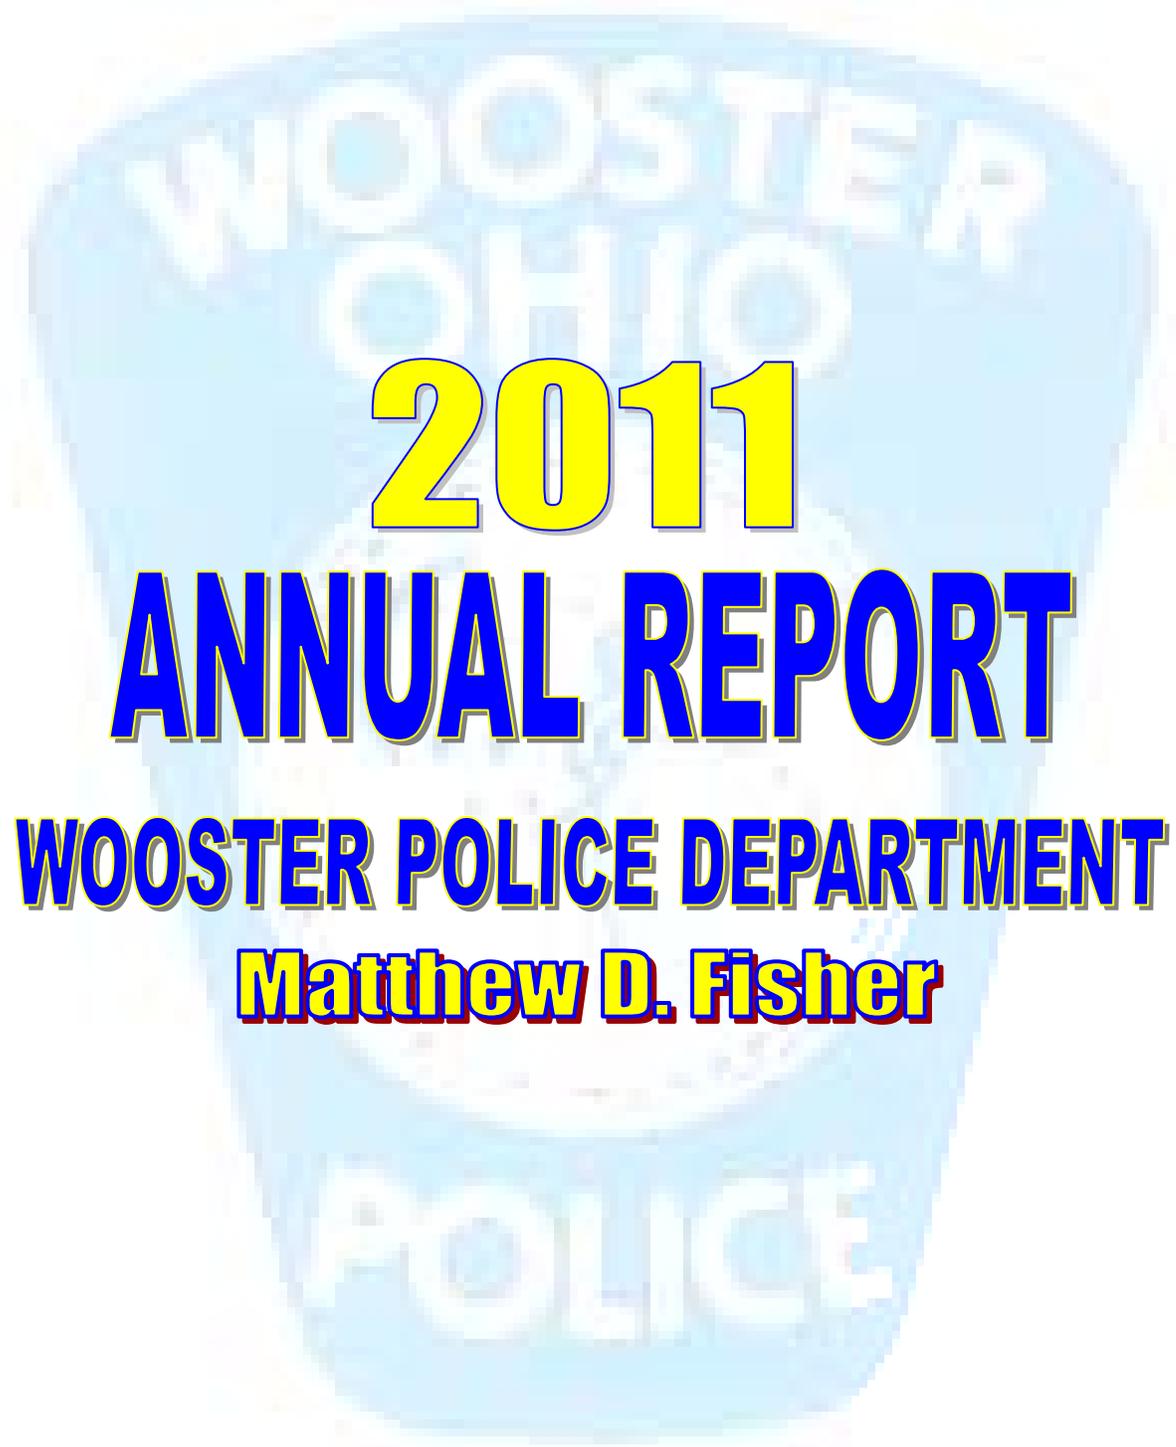

Patrolman Robert C. Goodrich –

Drowned during rescue efforts – July 5, 1969

Sergeant Paul H. Knisely –

Drowned during rescue efforts – July 5, 1969

WOOSTER POLICE DEPARTMENT

Mission Statement

The Wooster Police Department is a committed partner with our community. Ethics, integrity and professionalism are the core values which lead us forward. These core values are the foundation upon which we base our mission.

We realize that our most important asset is our employees who strive to make our organization a premier law enforcement agency. Our employees are dedicated to protecting and preserving life while providing fair and impartial law enforcement services to all.

It is these core values, dedication and community partnership that make our agency distinguished.

Values

We value dignity and respect for all persons.

*We value integrity and honesty as the basis
for community trust.*

We value excellence and professional growth.

We value the highest standards of moral and ethical conduct.

NEW HIRES, RETIREES, AND PROMOTIONS

Ptl. Jim Barry joined the Wooster Police Department on August 15, 2011. Ptl. Ryan Laskowski joined the Department on September 19, 2011. Both officers hold a position with the road patrol units after months of training with a field training officer.

Sgt. Victor Nedoma

Lt. Scott Rotolo

Chief Matthew Fisher

Victor Nedoma was promoted from patrolman to sergeant on September 19, 2011. Scott Rotolo was also promoted from sergeant to lieutenant on that date. Matthew Fisher was promoted from lieutenant to chief on June 20, 2011.

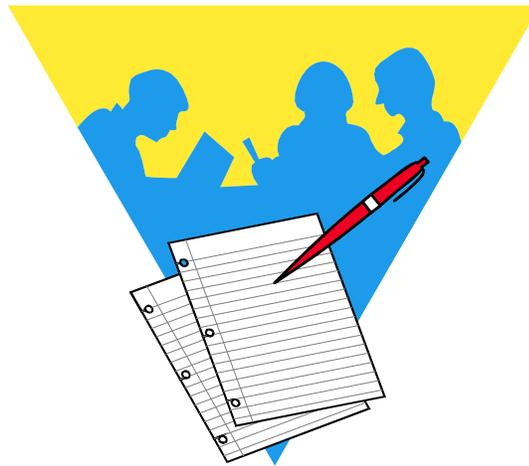

Chief Steven Glick retired from the Wooster Police Department on August 13, 2011, after 32 years of service. He moved up in rank within the Department with promotions for both sergeant and lieutenant taking place in 1995. He was then promoted to chief in 2007. During his years of service, he held the position of detective for approximately two years and also worked with Medway. He remained actively involved in the fight against drug abuse in the years that followed. He was also a SWAT member, and eventually became SWAT commander. Chief Glick provided the Wooster Police Department with hard work, dedication, and many years of experience. He is still active with the Department as a reserve officer.

WOOSTER POLICE DEPARTMENT

BUREAU & DIVISION REPORTS

2011

ANNUAL REPORT

COMMUNITY RELATIONS/SCHOOL RESOURCE OFFICER

Officer Ken Linz continues to be acknowledged by his peers for his knowledge and leadership abilities. This year he has been voted in as President of the Ohio Police Juvenile Officer Association. He has been the keynote speaker at two state conferences and served on several steering committees with one being the chairman. Post evaluations continue to be positive for Officer Linz's presentations. One such evaluator commented, "This guy rocks! Even presenting right after lunch he had our undivided attention. Awesome presenter, bring him back." Wooster City should be proud to have such a committed individual representing their Police Department.

Wooster City Schools' departing Assistant Superintendent discontinued the School Resource Officer position this summer; however, the Superintendent of the School Board and the Director of Secondary Education within weeks were able to secure enough funding to bring back Officer Linz. They understand the value of having an officer in their schools on a daily basis. The Wooster City Schools feels that a School Resource Officer makes a positive impact on students and teachers. In a small way, he helps with the achievement of an Excellent with Distinction rating for the 2010-2011 school year.

Officer Ken Linz and Wooster High School Student, Aric Saal.

DETECTIVE BUREAU

The Detective Bureau is staffed with one sergeant and three detectives. Detectives are typically assigned to investigate the most serious, sensitive, or complex cases. Each detective is "on-call" one week a month during the nighttime hours. While patrol officers are responsible for investigating most routine matters, the more serious cases are assigned to detectives. In 2011, detectives investigated 76 cases, down slightly from 94 cases in 2010. As in the previous year, almost half of these cases involve sexual assaults, in which children are most often the victims. They work closely with Children Services of Wayne County and the Child Advocacy Center in these investigations. The balance of cases referred to detectives usually include serious assaults, robberies, burglaries, and embezzlement or fraud schemes. Detectives investigated one murder in 2011. The offender was identified and charged, and after several weeks as a fugitive, he has since been arrested. As the year ends, the detectives are continuing investigations in 31 cases which remain open. Computers and the internet play an increasing role in many crimes, and forensic analysis of computers and telephones are often required, along with the preparation and service of legal process to secure records for evidence.

Detectives assist patrol officers, using specialized equipment to photograph and search for evidence at crime scenes. For example, they often work to develop latent fingerprints, cast footwear or tool mark impressions, or collect biological evidence for DNA comparisons. They conduct interviews of witnesses and interrogations of suspects on a daily basis.

Detectives have specialized knowledge and equipment for forensic video analysis in order to deal with the many different types of surveillance video in use by the business community. Video evidence has become an important factor in the investigation and prosecution of many cases. In 2011, they dealt with video evidence in 118 cases.

Detectives also conduct background investigations and truth verification (lie detector) tests for prospective Police and Fire Division applicants. These Computer Voice Stress Analysis (CVSA) tests are also done in conjunction with criminal investigations, and all of the detectives are certified examiners. They conducted 30 of these tests in 2011.

CASE CLEARANCE RATE	89%	80%

PATROL DIVISION

The Patrol Division is the heart and soul of the Wooster Police Department. The officers assigned to this unit provide all the essential law enforcement functions and community services. These officers have a wide range of knowledge and skills in order to perform these duties. The Department provides the most up-to-date equipment to assist them in their job performance. Training is provided on a continuing basis so officers can keep abreast of the most current and best law enforcement procedures and tactics. The Patrol Division collaborates with local, state and federal law enforcement agencies and strives to provide professional and excellent service to the Wooster community.

The Patrol Division investigates calls for police service throughout the year. When criminal complaints need further investigation, they are returned to the initiating officer for further follow-up.

K-9 UNIT

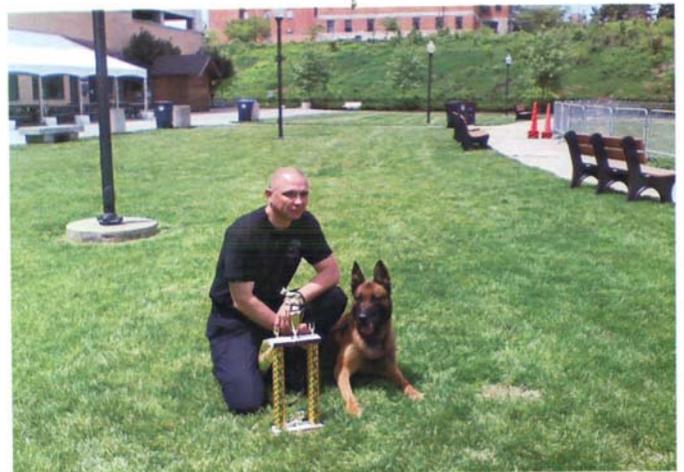

Patrolman Brian Waddell and K-9 Quinto have been working as a canine team since 2003. In July of 2009, K-9 Quinto and Brian were recertified, for the third time, through the Ohio Police Officer Training Commission (OPOTC) in tracking, criminal apprehension and narcotics detection. Quinto is trained to detect and alert to marijuana, heroin, cocaine, and methamphetamines. Quinto and Brian still maintain a national certification as a dual-purpose team through the International Police Work Dog Association, (IPWDA), attending the national workshop held in Grayling, MI, in September 2010. They also attended a bulk narcotics workshop held in South Euclid, OH, sponsored by the Ohio Law Enforcement Canine Association.

Quinto and Brian are currently assigned to the Patrol Division, working night shift. During this time, Quinto has assisted in hundreds of traffic stops where illegal contraband and/or illegal drugs were found. Quinto has also conducted several successful tracks of suspects who have fled on foot to avoid arrest.

In July of 2011, Quinto and Brian were invited to compete in the Akron Police Department's Lock 3 K-9 Challenge. They competed among 16 other K-9 teams throughout the area and finished the day with TOP DOG honors. This award was given to the K-9 team that performed the best overall in three judged events. Those events were: obedience, agility and criminal apprehension.

Quinto and Brian continue to train on a regular basis, oftentimes doing more than what is required to ensure that the Department, as well as the community, has a productive and reliable K-9 program. Quinto and Brian not only train with the other Wooster K-9 teams, but also teams from Ashland Police Department, Holmes County Sheriff's Office and Coshocton County Sheriff's Office.

K-9 UNIT

After being off work for nine months on a work-related injury, Patrolman Henderson and his canine partner, Hades, were eager to get back to work. Patrolman Henderson came back to the road in the middle of August 2011. During his time off, Hades' certification expired, but that didn't slow him down. In October, Hades successfully tracked and located a resident that had run away from the Village Network and was found hiding in a corn field. They also assisted The Ohio State Highway Patrol on a crash where two occupants had fled on foot from the scene and were located after a lengthy track hiding in a field in a residential neighborhood off Friendsville Road. In November, Patrolman Henderson and Hades re-certified with the State of Ohio as a dual purpose canine team. In December, Stoller's Lawn and Garden had been broken into and Orrville Police Department initiated a pursuit with the suspect. During the pursuit, the suspect's vehicle tires were deflated and the suspect fled on foot. Hades was instrumental in tracking the suspect to an apartment complex in Orrville where he was arrested.

Patrolman Henderson continues to give tours of the Justice Center and safety talks to local Boy and Girl Scouts. Hades also participates in the tours, demonstrating his abilities. Working night shift, Patrolman Henderson and Hades frequently conduct exterior vehicle sniffs for officers on traffic stops to check for the odor of narcotics. Patrolman Henderson and Hades are used regularly for the Wooster Police Department and also assist the Ohio State Highway Patrol, Medway Drug Enforcement Agency, Wayne County Sheriff's Office, and Orrville Police Department, which has resulted in narcotic seizures and arrests.

Patrolman Henderson and Hades look forward to a safe and productive 2012!

K-9 UNIT

In 2011, Sergeant Victor Nedoma and canine partner Ex marked their fourth year of service together as a K-9 team. In May of 2011, Sergeant Nedoma and Ex became certified in Tactical Dog Training and Deployment (TACDOGS). Victor and Ex train on a monthly basis with neighboring agencies, and also maintain a rigorous weekly training schedule with a local trainer.

Victor and Ex are currently assigned to the Patrol Division, working the night shift. During the last year, Victor and Ex have conducted or assisted on hundreds of traffic stops and searches. Many of these searches and stops resulted in the seizure of illegal narcotics, property, and the apprehension of suspects.

Victor and Ex provided informative demonstrations for schools and civic organizations. They have also participated in programs in conjunction with the Wayne County Humane Society and Boy Scouts of America. They were also present during the Waynequest Rescue Dog Walk, the Y.M.C.A's Kids Health and Wellness Day, and Kids Day on the Square. Victor and Ex have become well known in the community, and enjoy their time serving the citizens of Wooster.

BICYCLE PATROL

Sergeant Kris Conwill, Patrolman Quinn McConnell and Patrolman Clint Bartolic

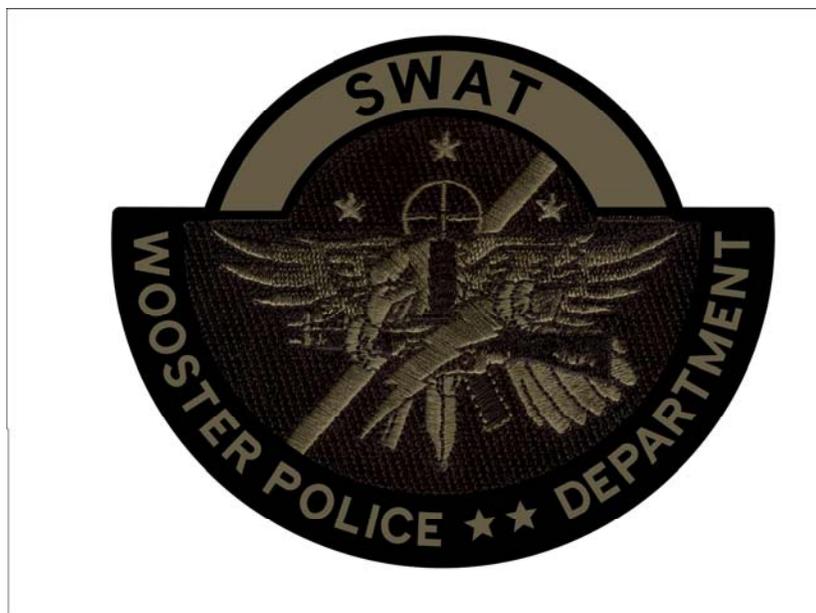

The Wooster Police Department's Bicycle Patrol Unit provides the Patrol Division with another option for providing efficient and effective law enforcement services to the citizens of Wooster. It is an effective community relations tool, as a bicycle officer is easily approached by citizens. With consistently higher prices of fuel and the emphasis on becoming more environmentally friendly, the bicycle provides an exceptional alternative for both areas.

The officers in the Bicycle Unit are able to patrol areas that are inaccessible to automobiles and provide non-traditional patrolling efforts when needed. Oftentimes officers are able to approach suspects without being detected, as many suspects are not expecting the police to be riding bicycles.

During 2011, the Bicycle Unit served the citizens of Wooster in several different ways. The Unit participated in the Memorial Day Parade and Fourth of July fireworks festivities. The Unit also supplemented the road patrol on a regular basis. This year's efforts were affected significantly by the number of road patrol officers who were off for various injuries and Officer McConnell also missing a major portion of the riding season due to a personal injury. During 2011, the Unit had 50 man hours of patrol time. During that time they made 109 non-traffic contacts, six arrests, handled 32 calls for service, completed 1 narcotic report and 7 non-narcotic reports, made 4 warrant arrests, 6 traffic stops, and issued 5 citations.

The Unit continues to be staffed by Sergeant Conwill and Officers McConnell and Bartolic. These three officers are committed to the success of the Unit and routinely prove this through their training and actual patrol. Officer Bartolic attended the 2011 International Police Mountain Bike Association Conference. While attending the conference, he successfully completed the Public Safety Cyclist II course, which now makes all three members Public Safety Cyclist II certified.

S.W.A.T

Special Weapons and Tactics

The Wooster SWAT Team consists of 13 members. Members of the SWAT Team are trained to perform high risk operations. The SWAT Team is called out when a situation falls beyond the scope or abilities of patrol officers. Duties include high risk arrest and search warrants, hostage situations and barricaded subjects. Continuous training is imperative to maintain the skills and proficiency needed to perform successful SWAT operations. Wooster SWAT trains 12 hours per month. Training includes perimeter work, room clearing and scenario based exercises.

In February 2011, Patrolman Jason Waddell was selected to be on the entry team. He successfully completed a 40-hour basic SWAT school hosted by the National Tactical Officers Association (NTOA). Sergeant Nedoma and Patrolman Brian Waddell attended a K9 SWAT school in May.

In June 2011, the SWAT Team assisted Medway Drug Enforcement Agency with a major mushroom operation located in the city and locations in Wayne County. The SWAT Team successfully executed a no-knock search warrant at a Cleveland Road residence. Again in June 2011, the team was called out to an address on Mulberry Street where an intoxicated male threatened his family and waved a gun at them. Attempts to contact the male were unsuccessful. The intoxicated male was eventually called out of his residence and subdued.

In September 2011, the SWAT Team was performing a scenario-based training exercise at an address on Akron Road. During this exercise, an unfortunate accident resulted in Sergeant Nedoma being injured. He is currently receiving treatment for his injuries, but we are optimistic that he will make a full recovery.

There are currently several vacancies on the SWAT Team and as a result of the Team not being at full strength, their operations have been temporarily suspended. We are grateful for their hard work and dedication throughout the year.

SWAT IN ACTION

DRUG ENFORCEMENT

The possession, use and sales of illegal drugs continue to be a problem in our community. The Wooster Police Department generated 296 charges against 199 defendants involving drug violations in 2011. Many individuals who live outside our community continue to deal drugs in our city and they bring with them a history of violent behavior. The most common drugs found in the area are marijuana, K-2/Spice (synthetic marijuana), cocaine, crack cocaine, methamphetamine, heroin and ecstasy. Prescription medications such as Valium and Oxycontin are widely abused. Over-the-counter drugs, such as cough syrups, are also abused.

The Department has three K9 units that are trained to detect illegal drugs. We periodically assign officers to work exclusively on the drug problem. Our officers supplied Medway with 194 intelligence reports and we assist them whenever possible. Medway Drug Enforcement Agency statistics show that in 2011, 84 defendants from the City generated 190 violations. Thirty percent of these violations involved prescription drugs, 26% marijuana, 11% crack cocaine, and 8% cocaine. Additionally, 12% was listed as other violations which includes child endangering, misdemeanor possession, and obstructing, among others. The violations include trafficking and possession.

On June 6, 2011, Medway executed "Operation Shroom Hunt" which resulted in six defendants being arrested and psilocybin mushrooms, marijuana and prescription drugs being confiscated.

The Rx Take Back Program in the Justice Center resulted in 34 pounds of scheduled and non-scheduled drugs collected in 2011.

PROPERTY SEIZED FROM WPD DRUG CASES

HONOR GUARD MEMBERS

Lieutenant Scott Rotolo
Reserve Sergeant Terry Heim
Patrolman Brandon Heim
Patrolman Jason Waddell
Patrolman Robert Henderson

Sergeant Kristopher Conwill
Detective Tony Lemmon
Patrolman Brian Waddell
Patrolman Cory Momchilov

The Honor Guard was formed in the spring of 1999 and now consists of nine officers. The members of the unit volunteer their time to practice and participate in funerals, parades, and other ceremonial events. Their mission statement is:

The mission of the Wooster Police Department Honor Guard is to promote honor, professionalism and integrity through its conduct and image at all times, holding the Department's core values to the highest degree.

During 2011, the Honor Guard participated in the following events:

January 7	Funeral for Clark County Deputy Sheriff Suzanne Hopper
February 18	Funeral for Uniontown Police Captain Daniel Stiles
March 24-25	Calling hours and funeral for Sandusky Police Officer Andrew Dunn
April 23	Wayne County Peace Officer's Memorial Service
May 20	Greater Cleveland Peace Officer Memorial Parade and Ceremony
May 30	Wooster Memorial Day Parade
June 3	Relay for Life Ceremony
September 20	Funeral for Wooster Police Officer Russell Poulson

Wooster Police Honor Guard
marching at the Relay for Life

Patrolman Thomas Webber (left) and Detective Juan McCloud assisting Eddie Eagle

THE EDDIE EAGLE GUN SAFETY PROGRAM

The Eddie Eagle Gun Safety Program was introduced into the Wooster Police Department during the 2009-2010 school year. The program is an informational presentation teaching children that if they should ever find a gun they would “Stop, don’t touch, leave the area, tell an adult.” Officer Thomas Webber was selected as the program operator and grant funding was sought. Through grants from the National Rifle Association and the Wayne County Izaak Walton League, all of the materials needed for the program and the majority of the expense of an Eddie Eagle mascot costume were covered.

Officer Webber has been the primary presenter with regular assistance from Detectives Tony Lemmon, Bill Belcher and Juan McCloud. During the 2009-2010 school year Officer Webber presented the program to Wooster Christian School’s and St. Mary’s School’s kindergarten and second grade students. The Wooster City Schools elected to not participate during that year.

The 2010-2011 school year was the first year in which the program was presented to all second grade students citywide. During that year the program reached 317 children and 18 adults. The 2011-2012 school year will exceed that number of students and adults.

The program continues to be fully funded through the National Rifle Association. The impact of the program and the interaction officers have with the attendees has proven to be beneficial in establishing a good rapport with the City’s children and teachers.

WOOSTER POLICE DEPARTMENT'S RESERVE UNIT

Efforts to organize a Reserve Police Officer Unit began in 2011. During the year planning went into developing requirements for reserve officers and their duties. The Reserve Unit provides a supplement to patrol shifts, special details, and extra duty details when additional manpower is needed. The officers may provide other assistance as particular needs arise. Current members of the Unit are Officers Terry Heim, Josh Brownson, and Steve Glick. These three officers have logged a combined total of approximately 630 hours as a reserve officer.

The goal of the Police Department is to increase the number of officers in 2012. These officers will provide assistance to the Department and its full-time officers.

DEC	0	1	1	1	0	2	3	2	8	16	53	113	0	3	65	138
TOTAL	1	1	28	26	15	20	30	29	196	189	797	822	31	44	1098	1131

Due to the initial classification of calls by dispatch and the possibility a call may be classified differently after officers investigate, there is a noticeable difference between calls for service by category and actual offenses.

The Wooster Police Department's full-time parking enforcement aide retired at the end of 2010. After some restructuring the City of Wooster decided to hire two part-time parking enforcement aides instead of one full-time aide. One part-time aide was hired in April 2011, who then left in September. A second part-time aide was hired in August 2011. It wasn't until 2012 that the Wooster Police Department had both part-time positions filled.

2011 CALLS FOR SERVICE BY CATEGORY

The Calls for Service section shows the number of calls received by the Wayne County Justice Center Dispatch. Dispatchers, based on the information received, categorize the call prior to dispatching officers. While useful, the information can be misleading because oftentimes the call for service can end up later being classified differently than dispatched.

CALL TYPE	2010	2011	Percent Increase %	Percent Decrease %

WOOSTER POLICE DEPARTMENT

TRAINING

2011 ANNUAL REPORT

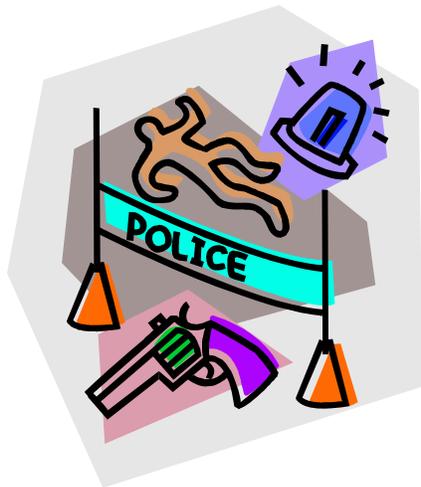

TRAINING

Providing professional law enforcement services to the community is a complex task. The duties of a police officer are challenging and constantly changing. The constant interaction between the police and community creates many opportunities, but also exposes the potential for liability. A well-educated, experienced police officer will increase our chances for success, while limiting our potential liability.

The Wooster Police Department actively seeks training opportunities for its personnel. Officers are selected to attend various training based on their current assignment, past schools attended, and the value of the class to the overall mission.

In 2011, members of the Wooster Police Department attended various classes, including in-house training. Total hours of training reached over 3,400 hours for the Department.
