PRESS RELEASE

AUGUST 2017

WARCOG DATA BREACH UPDATE

The Wooster-Ashland Regional Council of Governments sent notifications by mail to all persons affected by the data breach on Monday, August 7th.

Approximately 123, 000 individuals will be receiving notice. Only persons who are directly impacted by the breach will receive a letter explaining the options and programs that the WARCOG is offering. The notification will contain a call center number for inquiries and enrollment instructions for the programs.

Extra diligence monitoring your bank or credit records is encouraged for everyone that receives a letter. Any suspicious activity should be reported to your local law enforcement agency.
