Zoning compliance/verification letter request	\$25.00

Building (Section 1349.01)

All fees are based on total finished square footage under construction or alteration: This is the total finished square footage of each level of the house under construction/alteration measured by using exterior dimensions. Garages, covered porches, unfinished basements and other unfinished areas are not included in the calculation of finished square footage. Alteration fee is based on the area of the space to be altered. Fees shall be doubled where work has been done prior to obtaining the necessary permits. Where interior alterations do not completely remove all existing elements or where plumbing work in new buildings is limited to portions of the building, ½ of the square foot fee will be applied.
