If a major holiday falls on or before your collection day during the week, your trash service will be delayed one day. The major holidays that Kimble observes are New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas.

### **Trash Regulations:**

#### **Pick Up Time:**

Trash may be put out no earlier than 4:00 PM the day before your scheduled collection day and no later than 6:30 AM the morning of your scheduled collection day. Please note, if a major holiday falls on or before your collection day, trash may be put out no earlier than 4:00 PM the day following your normally scheduled collection day and no later than 6:30 AM on the day after your normally scheduled collection day.

#### **Regular Trash Pick Up:**

Trash must be placed at the curb in rolling carts that are provided by the cities contractor for waste collection.

#### **Recycling:**

Recyclable materials should be placed in your green recycling cart and placed at the curb next to your trash-rolling cart. If you have more recyclables than your bin can hold, please place them in bags and set them on top of or beside the bin.

#### **Construction Materials:**

Construction-type materials will NOT be picked up at the curb. Examples include, but are not limited to drywall, plaster, brick or block, concrete, doors, windows, steel or aluminum, or plumbing fixtures. If you have a large amount of such items, for example while doing a renovation, a temporary dumpster from a private waste hauler may be advisable.
