If No, How is the Purchase to be Funded?	
Description of Request Establish zoning on 32.24 acres of land being annexed into the City of Wooster on the east side of Melrose with parcel number 53-01219.000. The closest cross street is to the south - Firethorn Lane. Proposed zoning is R-2 (Single-Family Residential). A public hearing to be scheduled for April 17, 2023.	
Justification / Benefits Planning Commission members voted 6-0 to recommend approval of application PC-23-06 to establish R-2 zoning on 32.24 acres of land on the east side of Melrose with parcel number 53-01219.000. Property is being annexed into the City of Wooster. The R-2 zoning is consistent with adjacent uses and will aide in the development of single-family dwelling units.	
Will this Project affect the City's Operating Costs No.

Division Utilities	Meeting Date Requested
Project Name VLR 1 & 2 Improvements	Estimated Total Funds/Costs \$2,700,000
Is Full Amount Budgeted? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No If YES, three readings NOT REQUIRED	
If No, How is the Purchase to be Funded?	
Description of Request Replace the Vertical Loop Reactor (VLR) aeration equipment in the first two aeration tanks with conventional fine bubble aeration system due to the age and condition of the mixers and aeration equipment. The project will include removal of the mixers and demolition of the horizontal concrete wall that creates the vertical loop. The project includes replacement blowers, piping, diffusers, and process piping and valves. The improved process piping will allow the tanks to be operated in series or parallel and to be removed from service for maintenance and cleaning. When completed, all five aeration tanks will be converted from VLR to fine bubble aeration.	
Justification / Benefits Benefits will include less costly maintenance and more efficient aeration system. Project justification is based on the age and unrepairable failure of the VLR diffusers.	
Will this Project affect the City's Operating Costs The operating cost should remain nearly the same.	
What Alternatives Exist and what are the Implications of the Alternatives The alternatives would be to replace the VLR equipment with new diffusers and mixers. The implication of the replacement of the VLR system would be less cost efficient to install, maintain and operate.

MEMO: VLR 1 & 2 Project Estimate and Justification

To: Joel Montgomery, Director of Administration

From: Mike Fritz, Utilities Manager

Date: 3/29/23

The estimate for the improvements to Vertical Loop Reactors 1 & 2 to convert the tanks from VLRs to fine bubble diffused air for mixing and aeration has been revised based on the current engineer's estimate of \$2.7 million provided by Jones and Henry. The approved 2023 budget included \$1.8 million for the project based on the original engineer's estimate from 2022. In late 2022, the same improvements were planned for VLR 1 and bids were received with the low bid awarded for \$1.2 million. The engineer's estimate for VLR 1 was \$900,000 and for VLR 1 & 2 was \$1.8 million. The tanks are all identical in size and included identical aeration equipment. Additional piping work was planned later for VLR 1 & 2 in order to isolate the tanks separately for maintenance and construction. The additional piping is 42" diameter and runs the length of the VLR tank with isolation valves at both ends. The additional costs in the engineer's estimate are made up of inflation of 25% and additional work of 12.5%. The project will complete the conversion of every VLR to fine bubble diffusers which will increase the reliability of the organic wastewater treatment and provide better efficiency of the treatment. The improvements will allow the plant to return to 100% of treatment design capacity.

RESOLUTION 2023-21

A RESOLUTION AUTHORIZING THE DIRECTOR OF ADMINISTRATION TO ENTER INTO A CONTRACT TO PARTICIPATE IN THE ODOT COOPERATIVE PURCHASING PROGRAM, AND ALLOWING FOR IMMEDIATE ENACTMENT

- d. The Political Subdivision requests through this participation agreement a total of 2,000 tons of Sodium Chloride (Road Salt) in 2024, in order to maintain sufficient reserves depleted throughout the winter season, of which the Political Subdivision agrees to purchase from its awarded salt supplier at the delivered bid price per ton awarded by the Director of ODOT; and
- e. The Political Subdivision agrees to purchase a minimum of 90% of its above-requested salt quantities from its awarded salt supplier during the contract’s effective period; and

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF WOOSTER, OHIO:

SECTION 1. This participation agreement for the ODOT winter road salt contract is approved with funding that will be authorized for FY 2024, and the Political Subdivision agrees to the above terms and conditions regarding participation in the ODOT winter salt contract.

SECTION 2. The Director of Administration is authorized to agree in the name of the City of Wooster to be bound by all of the foregoing terms and conditions, as well as such other terms and conditions as the Director of Transportation prescribes.

SECTION 3. This Council finds and declares that all formal actions concerning and relating to the adoption of this Resolution occurred in an open meeting of this Council or its committees, in compliance with the law.

SECTION 4. This Resolution is declared to be necessary to the immediate preservation of the public health, peace, safety and welfare of the City, or providing for the usual daily operation of a municipal department or division, and for the further reason that prompt action is necessary to take advantage of this opportunity to procure road salt at a reduced cost by submitting this executed Resolution to ODOT no later than April 28, 2023; wherefore, this Resolution shall be in full force and effect from and immediately after its passage and approval by the Mayor; provided it receives the affirmative vote of at least three-fourths of the members of Council; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Division PPM	Meeting Date Requested 4/3/2023
Project Name ODOT Winter Salt Contract	Estimated Total Funds/Costs \$150,000.00
Is Full Amount Budgeted? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If YES, three readings NOT REQUIRED	
If No, How is the Purchase to be Funded? This purchase will be budgeted in FY2024	
Description of Request The PPM Division anticipates the need to purchase approximately 2000 ton of salt in 2024 to maintain sufficient reserves depleted throughout the winter season. The funding for the salt to be purchased in 2024 is not funded, but will be requested in the 2024 Budget. The reason this request is coming to Council in such short notice is because the City just recently was notified by ODOT that the City could join them in the Winter Fill Salt Contract (018-24). This past Winter the City Snow and Ice Control Operation applied 2300 ton of salt – this is 2200 ton less than our yearly average of 4500 ton. The cost per ton of salt was \$51.14. We currently have 4400 ton of salt in storage reserves moving into next Winter.	
Justification / Benefits In an unstable salt market it is difficult to predict and budget from year to year what the price of salt will be. So, partnering with the Ohio Department of Transportation (ODOT) will allow the City to purchase a total of 2000 ton of salt and minimize the risk of paying higher prices. The bidding process that ODOT uses keeps the salt vendors prices very competitive.	
Will this Project affect the City's Operating Costs Yes, in FY2024	
What Alternatives Exist and what are the Implications of the Alternatives Purchase in the open market – Risk of paying more for salt	
Is this a Sole Source Bid or Non-Bid Situation <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, Explain The Circumstances:	
Is there a need for Suspension of the Rules or a Time Frame when this must be passed? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No If Yes, Note Reasons Council will need to suspend the rules and pass this resolution in its final reading because of time constraints. The ODOT contract agreement for the Winter Fill Contract needs to be submitted by May 1, 2023. The resolution can be submitted after the next City of Wooster Council Meeting.	
NOTE: Emergency Clause Required if Legislative Effective Date is IMMEDIATE.

The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 2: Authorized Principal Amount and Purpose; Application of Proceeds. This Council determines that it is necessary and in the best interest of the City to issue bonds of the City in one lot in the maximum principal amount of \$3,435,000 (the Bonds) for the purpose of paying costs of improving, expanding, reconstructing, furnishing and equipping the City’s fire station #1, together with all necessary appurtenances thereto (the improvement), including the payment of expenses related to the issuance of the Bonds.

The aggregate principal amount of Bonds to be issued shall not exceed \$3,435,000 and shall be issued in an amount determined by the Fiscal Officer in the Certificate of Award to be the aggregate principal amount of Bonds required to be issued, taking into account any premium above or discount from the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, in order to effect the purpose for which the Bonds are to be issued, including the payment of any expenses properly allocable to the issuance of the Bonds.

The proceeds from the sale of the Bonds (except any premium and accrued interest) shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 3: Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in the Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the

Certificate of Award, provided that their dated date shall not be more than 60 days prior to the Closing Date.

(a) Interest Rates and Interest Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of 12 30-day months) as shall be determined by the Fiscal Officer in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements (as hereinafter defined and described) on the Principal Payment Dates in principal amounts as shall be determined by the Fiscal Officer, subject to subsection (c) of this Section, in the Certificate of Award, consistent with the Fiscal Officer's determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the Fiscal Officer's determination of the best interest of and financial advantages to the City, the Fiscal Officer shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (Mandatory Redemption Dates) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that (i) the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year and (ii) the true interest cost of the Bonds does not exceed 7%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day

preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Fiscal Officer, in the name and on behalf of the City, in connection with the book entry system.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those dates, for which provision is made in the Certificate of Award (such dates and amounts being the Mandatory Sinking Fund Redemption Requirements).

The aggregate of the money to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Fiscal Officer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Fiscal Officer, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof

against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities, if any, specified in the Certificate of Award shall be subject to redemption by and at the sole option of the City, in whole or in part in integral multiples of \$5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Fiscal Officer in the Certificate of Award; provided that (a) the earliest optional redemption date shall not be more than 10½ years after the Closing Date and (b) the redemption price for the earliest optional redemption date shall not be greater than 102%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Fiscal Officer to the Bond Registrar, given upon the direction of this Council through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of \$5,000 or any integral multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (a) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (b) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the fifteenth day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If that money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All money held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the money so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4: Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Fiscal Officer, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Fiscal Officer, shall be numbered as determined by the Fiscal Officer in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code and this Ordinance and the Certificate of Award.

The Huntington National Bank is appointed to act as the initial Bond Registrar; provided, however, that the Fiscal Officer is authorized to appoint a different Bond Registrar in the Certificate of Award after determining that such bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The Fiscal Officer shall sign and deliver, in the name and on behalf of the City, the Bond Registrar Agreement between the City and the Bond Registrar, in substantially the form as is now on file with the Clerk of Council. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Fiscal Officer on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5: Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Fiscal Officer and the Bond Registrar. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation

and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book Entry System. Notwithstanding any other provisions of this Ordinance, if the Fiscal Officer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and so long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book entry interest owners of Bonds in book entry form shall not have any right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book entry interests in Bonds in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Fiscal Officer may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Fiscal Officer does not or is unable to do so, the Fiscal Officer, after making provision for notification of

the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Fiscal Officer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with a book entry system for the Bonds.

Section 6: Award and Sale of the Bonds.

(a) Original Purchaser Designated in Certificate of Award. The Bonds shall be sold to the Original Purchaser at a purchase price, not less than 97% of their aggregate principal amount, to be determined by the Fiscal Officer in the Certificate of Award, plus accrued interest on the Bonds from their date to the Closing Date, and shall be awarded by the Fiscal Officer with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance. The Fiscal Officer is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The Fiscal Officer shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Fiscal Officer, the Director of Law, the Clerk of Council and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Fiscal Officer, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Bonds and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Fiscal Officer is authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Fiscal Officer is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Fiscal Officer shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Fiscal Officer, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) Municipal Advisor; Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Fiscal Officer, the (i) engagement of the services of a municipal advisor or (ii) filing of an application for (A) a rating on the Bonds by one or more nationally-recognized rating agencies, or (B) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the Fiscal Officer is authorized to engage a municipal advisor and prepare and to submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the fees of a municipal advisor or the cost of obtaining each such rating or policy from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Fiscal Officer is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with the engagement of a municipal advisor or of obtaining that bond insurance.

The expenditure of the amounts necessary to engage a municipal advisor and/or secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser, is authorized and approved, and the Fiscal Officer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 7: Provisions for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. Nothing in this section in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 8: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Fiscal Officer, or any other officer of the City having responsibility for the issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Bonds as “qualified tax-exempt obligations”), choice, consent, approval or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and

make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Section 9: Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and a signed copy of the Certificate of Award to the Wayne County Auditor.

Section 10: Retention of Bond and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond and disclosure counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Fiscal Officer is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 11: Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 12: Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken in open meetings of this Council or committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 13: Immediate Effect; Effective Date. This Ordinance is hereby declared to be necessary to the immediate preservation of the public health, peace, safety and welfare of the City and for the further reason that this Ordinance is required to be immediately effective so that the Notes can be sold at the earliest possible date to enable the City to timely enter into one or more contracts for the improvement set forth in Section 1, which are needed to better protect the health and safety of the citizens of the City; wherefore, this Ordinance shall be in full force and effect from and immediately after its passage and approval by the Mayor; provided it receives the affirmative vote of at least three-fourths of the members of Council; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

FISCAL OFFICER'S CERTIFICATE

TO THE COUNCIL OF THE CITY OF WOOSTER, OHIO:

As fiscal officer of the City of Wooster, Ohio, I certify in connection with your proposed issue of bonds in the maximum principal amount of \$3,435,000 (the Bonds) for the purpose of paying costs of improving, expanding, reconstructing, furnishing and equipping the City's fire station #1, together with the necessary appurtenances thereto (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.

2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is 20 years, being my estimate of the life or period of usefulness of the improvement. If and to the extent a portion of the proceeds of the Bonds may be determined to be allocated to a class or classes having a maximum maturity of less than 20 years but in excess of five years, then the maximum maturity of the Bonds would still be at least 20 years by reason of a sufficient portion of the proceeds of the Bonds allocated to a class or classes having a maximum maturity or an estimated period of usefulness in excess of 20 years.

Dated: MARCH 27, 2023

Director of Finance
City of Wooster, Ohio

ORD
2023-11

The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 2: Authorized Principal Amount and Purpose; Application of Proceeds. This Council determines that it is necessary and in the best interest of the City to issue bonds of the City in one lot in the maximum principal amount of \$10,595,000 (the Bonds) for the purpose of paying costs of improving and expanding the City’s sanitary sewerage system by constructing and reconstructing sanitary sewers, force mains and lift stations, and making improvements at the sanitary sewerage system plant including to the ultraviolet, headworks, digester, feedstock receiving and generator systems, together with all necessary improvements and appurtenances thereto (the improvement), including the payment of expenses related to the issuance of the Bonds.

The aggregate principal amount of Bonds to be issued shall not exceed \$10,595,000 and shall be issued in an amount determined by the Fiscal Officer in the Certificate of Award to be

the aggregate principal amount of Bonds required to be issued, taking into account any premium above or discount from the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, in order to effect the purpose for which the Bonds are to be issued, including the payment of any expenses properly allocable to the issuance of the Bonds.

The proceeds from the sale of the Bonds (except any premium and accrued interest) shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 3: Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in the Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award, provided that their dated date shall not be more than 60 days prior to the Closing Date.

(a) Interest Rates and Interest Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of 12 30-day months) as shall be determined by the Fiscal Officer in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements (as hereinafter defined and described) on the Principal Payment Dates in principal amounts as shall be determined by the Fiscal Officer, subject to subsection (c) of this Section, in the Certificate of Award, consistent with the Fiscal Officer's determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the Fiscal Officer's determination of the best interest of and financial advantages to the City, the Fiscal Officer shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (Mandatory Redemption Dates) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that (i) the total principal and

interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year and (ii) the true interest cost of the Bonds does not exceed 7%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Fiscal Officer, in the name and on behalf of the City, in connection with the book entry system.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those dates, for which provision is made in the Certificate of Award (such dates and amounts being the Mandatory Sinking Fund Redemption Requirements).

The aggregate of the money to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Fiscal Officer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption

Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Fiscal Officer, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities, if any, specified in the Certificate of Award shall be subject to redemption by and at the sole option of the City, in whole or in part in integral multiples of \$5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Fiscal Officer in the Certificate of Award; provided that (a) the earliest optional redemption date shall not be more than 10½ years after the Closing Date and (b) the redemption price for the earliest optional redemption date shall not be greater than 102%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Fiscal Officer to the Bond Registrar, given upon the direction of this Council through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of \$5,000 or any integral multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations

greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (a) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (b) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the fifteenth day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If that money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All money held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the money so

held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4: Execution and Authentication of Bonds; Appointment of Bond Registrar.

The Bonds shall be signed by the Mayor and the Fiscal Officer, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Fiscal Officer, shall be numbered as determined by the Fiscal Officer in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code and this Ordinance and the Certificate of Award.

The Huntington National Bank is appointed to act as the initial Bond Registrar; provided, however, that the Fiscal Officer is authorized to appoint a different Bond Registrar in the Certificate of Award after determining that such bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The Fiscal Officer shall sign and deliver, in the name and on behalf of the City, the Bond Registrar Agreement between the City and the Bond Registrar, in substantially the form as is now on file with the Clerk of Council. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Fiscal Officer on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5: Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Fiscal Officer and the Bond Registrar. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on

any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the principal corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book Entry System. Notwithstanding any other provisions of this Ordinance, if the Fiscal Officer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and so long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book entry interest owners of Bonds in book

entry form shall not have any right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book entry interests in Bonds in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Fiscal Officer may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Fiscal Officer does not or is unable to do so, the Fiscal Officer, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Fiscal Officer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with a book entry system for the Bonds.

Section 6: Award and Sale of the Bonds.

(a) Original Purchaser Designated in Certificate of Award. The Bonds shall be sold to the Original Purchaser at a purchase price, not less than 97% of their aggregate principal amount, to be determined by the Fiscal Officer in the Certificate of Award, plus accrued interest on the Bonds from their date to the Closing Date, and shall be awarded by the Fiscal Officer with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance. The Fiscal Officer is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The Fiscal Officer shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Fiscal Officer, the Director of Law, the Clerk of Council and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Fiscal Officer, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Bonds and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Fiscal Officer is authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Fiscal Officer is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Fiscal Officer shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Fiscal Officer, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) Municipal Advisor; Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Fiscal Officer, the (i) engagement of the services of a municipal advisor or (ii) filing of an application for (A) a rating on the Bonds by one or more nationally-recognized rating agencies, or (B) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the Fiscal Officer is authorized to engage a municipal advisor and prepare and to submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the fees of a municipal advisor or the cost of obtaining each such rating or policy from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Fiscal Officer is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and

on behalf of the City, that the Fiscal Officer determines to be necessary in connection with the engagement of a municipal advisor or of obtaining that bond insurance.

The expenditure of the amounts necessary to engage a municipal advisor and/or secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser, is authorized and approved, and the Fiscal Officer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 7: Provisions for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. In each year, to the extent that revenues and surplus funds from the City's sanitary sewerage system or other moneys are available for the payment of debt charges on the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of revenues and funds and/or moneys so available and appropriated. Nothing in this section in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 8: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Fiscal Officer, or any other officer of the City having responsibility for the issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Bonds as “qualified tax-exempt obligations”), choice, consent, approval or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Section 9: Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and a signed copy of the Certificate of Award to the Wayne County Auditor.

Section 10: Retention of Bond and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond and disclosure counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Fiscal Officer is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 11: Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WOOSTER, WAYNE COUNTY, OHIO, that:

Section 1: Authorized Principal Amount of Anticipated Bonds and Purpose. It is necessary to issue bonds of the City in an aggregate principal amount not to exceed \$580,000 (the Bonds) to pay the property owners' portion, in anticipation of the levy and collection of special assessments, of the costs of improving Melrose Drive between certain termini by grading, draining, widening, paving, resurfacing, constructing curbs, gutters, a multi-use path, sidewalks and driveway approaches, installing storm sewers, catch basins, manholes, water mains, fire hydrants, and traffic control signs, and acquiring any real estate and interests therein required

Section 2: Estimated Bond Terms. The Bonds shall be dated approximately June 1, 2024, shall bear interest at the now estimated rate of 7.0% per year, payable semiannually until the principal amount is paid, and are estimated to mature in 15 annual principal installments on December 1 of each year that are in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable are substantially equal. The first interest payment on the Bonds is estimated to be December 1, 2024, and the first principal payment on the Bonds is estimated to be December 1, 2025.

Section 3: Authorized Principal Amount of Notes; Dating; Interest Rate. It is necessary to issue and this Council determines that notes in an aggregate principal amount not to exceed \$580,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the City, the Outstanding Notes. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance; provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is any date not later than one year from the date of issuance by setting forth that maturity date in the certificate awarding the Notes and signed in accordance with Section 6 of this Ordinance (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 6.0% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity or at any date of earlier prepayment as provided for in Section 4 and until the principal amount is paid or payment is provided for. The principal amount of and rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

Section 4: Payment of Debt Charges; Paying Agent; Prepayment. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America, as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the designated corporate trust office or other office of a bank or trust company designated by the Director of Finance in the Certificate of Award, after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the Original Purchaser (as defined in Section 6) (the Paying Agent). If agreed to by the Original Purchaser, the Notes shall be prepayable without penalty or premium at the option of the City at any time prior to maturity (the Prepayment Date) as provided in this Ordinance. Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the Prepayment Date. The City's right of prepayment shall be exercised by mailing a notice of prepayment, stating the Prepayment Date and the name and address of the Paying Agent, by certified or registered mail to the Original Purchaser and to the Paying Agent not less than seven days prior to the Prepayment Date. If money for prepayment is on deposit with the Paying Agent on the Prepayment Date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the Prepayment Date. The Director of Finance may request the Original Purchaser to use its best efforts to arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

Section 5: Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this section and this Ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes “immobilized” in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance

does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable to order form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6: Award and Sale of the Notes.

(a) Original Purchaser Designated in Certificate of Award. The Notes shall be sold at not less than par plus accrued interest to the original purchaser designated by the Director of Finance in the Certificate of Award (the Original Purchaser) in accordance with law and the provisions of this Ordinance and the Certificate of Award. The Director of Finance shall sign the Certificate of Award evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

The Director of Finance is authorized to request a rating for the Notes from one or more nationally recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to secure any rating and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Director of Finance, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Notes, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution

of, that official statement and any supplements thereto in connection with the original issuance of the Notes and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Notes, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Director of Finance is authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Finance, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Director of Finance is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

Section 7: Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8: Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9: Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall

be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. All special assessments collected for the improvement described in Section 1 and any unexpended balance remaining in the improvement fund after the cost and expenses of the improvement have been paid in full shall be used for the payment of the debt charges on the Notes until paid in full. In each year to the extent money from the levy of the special assessments for the improvement is available for the payment of the debt charges on the Notes and Bonds and is appropriated for that purpose, the tax shall be reduced by the amount of money so available and appropriated.

Section 10: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Notes as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and

estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this section to take with respect to the Notes.

Section 11: Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and the Certificate of Award to the Wayne County Auditor.

Section 12: Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13: Retention of Bond and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond and disclosure counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinions upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Finance is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Dated: MARCH 27, 2023

Director of Finance
City of Wooster, Ohio

ORDINANCE NO. 2023-14

AN ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF NOT TO EXCEED \$175,000 OF NOTES, IN ANTICIPATION OF THE ISSUANCE OF BONDS, TO PAY COSTS OF IMPROVING STREETS AND ROADS IN THE CITY INCLUDING OAK HILL ROAD, MILLTOWN ROAD AND COMMERCE PARKWAY BY PURCHASING A RIGHT OF WAY, CONSTRUCTING, RECONSTRUCTING, WIDENING, GRADING, DRAINING, PAVING, CREATING A ROUNDABOUT AND OTHERWISE IMPROVING, TOGETHER WITH ALL NECESSARY RELATED IMPROVEMENTS AND APPURTENANCES THERETO, AS DESIGNATED IN THE PLANS APPROVED OR TO BE APPROVED BY COUNCIL, AND ALLOWING FOR IMMEDIATE ENACTMENT.

WHEREAS, the Director of Finance as fiscal officer of this City has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is 20 years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is 240 months from their date of issuance.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WOOSTER, WAYNE COUNTY, OHIO, that:

Section 1: Authorized Principal Amount of Anticipated Bonds and Purpose. It is necessary to issue bonds of the City in an aggregate principal amount not to exceed \$175,000 (the Bonds) to pay the costs of improving streets and roads in the City including Oak Hill Road, Milltown Road and Commerce Parkway by purchasing a right of way, constructing, reconstructing, widening, grading, draining, paving, creating a roundabout and otherwise improving, together with all necessary related improvements and appurtenances thereto, as designated in the plans approved or to be approved by Council.

Section 2: Estimated Bond Terms. The Bonds shall be dated approximately June 1, 2024, shall bear interest at the now estimated rate of 7.0% per year, payable semiannually until the principal amount is paid, and are estimated to mature in 20 annual principal installments on December 1 of each year that are in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable are substantially equal. The first interest payment on the Bonds is estimated to be December 1, 2024, and the first principal payment on the Bonds is estimated to be December 1, 2025.

Section 3: Authorized Principal Amount of Notes; Dating; Interest Rate. It is necessary to issue and this Council determines that notes in an aggregate principal amount not to exceed \$175,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance; provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is any date not later than one year from the date

of issuance by setting forth that maturity date in the certificate awarding the Notes and signed in accordance with Section 6 of this Ordinance (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 6.0% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity or at any date of earlier prepayment as provided for in Section 4 and until the principal amount is paid or payment is provided for. The principal amount of and rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

Section 4: Payment of Debt Charges; Paying Agent; Prepayment. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America, as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the designated corporate trust office or other office of a bank or trust company designated by the Director of Finance in the Certificate of Award, after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the Original Purchaser (as defined in Section 6) (the Paying Agent). If agreed to by the Original Purchaser, the Notes shall be prepayable without penalty or premium at the option of the City at any time prior to maturity (the Prepayment Date) as provided in this Ordinance. Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the Prepayment Date. The City's right of prepayment shall be exercised by mailing a notice of prepayment, stating the Prepayment Date and the name and address of the Paying Agent, by certified or registered mail to the Original Purchaser and to the Paying Agent not less than seven days prior to the Prepayment Date. If money for prepayment is on deposit with the Paying Agent on the Prepayment Date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the Prepayment Date. The Director of Finance may request the Original Purchaser to use its best efforts to arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

Section 5: Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this section and this Ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes

may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes “immobilized” in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable to order form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6: Award and Sale of the Notes.

(a) Original Purchaser Designated in Certificate of Award. The Notes shall be sold at not less than par plus accrued interest to the original purchaser designated by the Director of

Finance in the Certificate of Award (the Original Purchaser) in accordance with law and the provisions of this Ordinance and the Certificate of Award. The Director of Finance shall sign the Certificate of Award evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

The Director of Finance is authorized to request a rating for the Notes from one or more nationally recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to secure any rating and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Director of Finance, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Notes, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Notes and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Notes, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Director of Finance is authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Finance, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Director of Finance is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

Section 7: Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8: Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9: Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year, to the extent tax increment financing revenues or other funds are available for the payment of debt charges on the Notes and Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of other funds so available and appropriated.

Section 10: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that

would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation of the Notes as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Section 11: Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and the Certificate of Award to the Wayne County Auditor.

Section 12: Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13: Retention of Bond and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond and disclosure counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the

documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinions upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Finance is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 14: Municipal Advisor Services. The services of Sudsina & Associates, LLC, as municipal advisor, be and are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Director of Finance is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 15: Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or committees, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 16: Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 17: Immediate Enactment; Effective Date. This Ordinance is hereby declared to be necessary to the immediate preservation of the public health, peace, safety and welfare of the City, and for the further reason that this Ordinance is required to be immediately effective so that the Notes can be sold at the earliest possible date to enable the City to timely enter into one or more contracts for the improvement set forth in Section 1, which are needed to eliminate existing and potential hazards to vehicular and pedestrian traffic in the City; wherefore, this Ordinance shall be in full force and effect from and immediately after its passage and approval by the Mayor; provided it receives the affirmative vote of at least three-fourths of the members of Council; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

ORDINANCE NO. 2023-15

WHEREAS, pursuant to Ordinance No. 2022-09, passed on May 2, 2022, there were issued \$1,800,000 of notes (the "Outstanding Notes"), issued in anticipation of bonds for the purposes stated in Section 1, as part of a consolidated issue of \$2,360,000 Various Purpose Improvement Notes, Series 2022, which Outstanding Notes mature on June 9, 2023; and

WHEREAS, this Council finds and determines that the City should retire the Outstanding Notes with the proceeds of the Notes described in Section 3 and other funds available to the City and to borrow additional funds for the purpose stated in Section 1; and

WHEREAS, the Director of Finance as fiscal officer of this City has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is 40 years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is June 9, 2042.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WOOSTER, WAYNE COUNTY, OHIO, that:

Section 1: Authorized Principal Amount of Anticipated Bonds and Purpose. Section 2: Estimated Bond Terms. The Bonds shall be dated approximately June 1, 2024, shall bear interest at the now estimated rate of 7.0% per year, payable semiannually until the principal amount is paid, and are estimated to mature in 40 annual principal installments on December 1 of each year that are in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable are substantially equal. Section 3: Authorized Principal Amount of Notes; Dating; Interest Rate. It is necessary to issue and this Council determines that notes in an aggregate principal amount not to exceed \$4,055,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the City, the Outstanding Notes. The Notes shall be

dated the date of issuance and shall mature one year from the date of issuance; provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is any date not later than one year from the date of issuance by setting forth that maturity date in the certificate awarding the Notes and signed in accordance with Section 6 of this Ordinance (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 6.0% per year (computed on the basis of a 360-day year consisting of 12 30-day months), payable at maturity or at any date of earlier prepayment as provided for in Section 4 and until the principal amount is paid or payment is provided for. The principal amount of and rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

Section 4: Payment of Debt Charges; Paying Agent; Prepayment. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America, as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the designated corporate trust office or other office of a bank or trust company designated by the Director of Finance in the Certificate of Award, after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the Original Purchaser (as defined in Section 6) (the Paying Agent). If agreed to by the Original Purchaser, the Notes shall be prepayable without penalty or premium at the option of the City at any time prior to maturity (the Prepayment Date) as provided in this Ordinance. The City's right of prepayment shall be exercised by mailing a notice of prepayment, stating the Prepayment Date and the name and address of the Paying Agent, by certified or registered mail to the Original Purchaser and to the Paying Agent not less than seven days prior to the Prepayment Date. If money for prepayment is on deposit with the Paying Agent on the Prepayment Date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the Prepayment Date. The Director of Finance may request the Original Purchaser to use its best efforts to arrange for the delivery of the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

Section 5: Execution of Notes; Book Entry System. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes “immobilized” in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable to order form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6: Award and Sale of the Notes.

(a) Original Purchaser Designated in Certificate of Award. The Notes shall be sold at not less than par plus accrued interest to the original purchaser designated by the Director of

Finance in the Certificate of Award (the Original Purchaser) in accordance with law and the provisions of this Ordinance and the Certificate of Award. The Director of Finance shall sign the Certificate of Award evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.

The Director of Finance is authorized to request a rating for the Notes from one or more nationally recognized rating agencies in connection with the sale and issuance of the Notes. The expenditure of the amounts necessary to secure any rating and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Notes is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Director of Finance, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Notes, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Notes and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Notes, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The Director of Finance is authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Director of Finance, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Director of Finance is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

Section 7: Application of Note Proceeds. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8: Application and Pledge of Bond or Renewal Note Proceeds or Excess Funds. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9: Provisions for Tax Levy. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year, to the extent that revenues and surplus funds from the City's sanitary sewerage system or other moneys are available for the payment of debt charges on the Notes and Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of revenues and funds and/or moneys so available and appropriated. In each year, to the extent tax increment financing revenues or other funds are available for the payment of debt charges on the Notes and Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of other funds so available and appropriated.

Section 10: Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Notes as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this section to take with respect to the Notes.

Section 11: Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver or cause to be delivered a certified copy of this Ordinance and the Certificate of Award to the Wayne County Auditor.

Section 12: Satisfaction of Conditions for Note Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general

obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13: Retention of Bond and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond and disclosure counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Notes and the rendering of the necessary legal opinions upon the delivery of the Notes. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Finance is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 14: Municipal Advisor Services. The services of Sudsina & Associates, LLC, as municipal advisor, be and are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Director of Finance is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 15: Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or committees, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 16: Captions and Headings. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 17: Immediate Enactment; Effective Date. This Ordinance is hereby declared to be necessary to the immediate preservation of the public health, peace, safety and welfare of the City and for the further reason that this ordinance is required to be immediately effective in order to enable the City to issue and sell the Notes at the earliest possible date, which is necessary to enable the City to retire the Outstanding Notes and thereby preserve its credit; wherefore, this Ordinance shall be in full force and effect from and immediately after its passage and approval by the Mayor; provided it receives the affirmative vote of at least three-fourths of the members of Council; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
