S p o r t s m a n s h i p R a t i n g s

At the conclusion of each game, the official will conduct a sportsmanship rating for each team based on their behavior, actions and attitudes before, during and after the game. All behaviors and interactions from players, coaches and parents will be included in the final rating. It is the responsibility of the representative to inform all players, coaches and spectators about the rating system. During the game, it is the coaches responsibility to control the behavior of the spectators for their team. In all cases, Field Supervisors and the Program Coordinator may provide input which could raise or lower an assigned rating.

Sportsmanship ratings will be posted on the Wooster Recreation Department website each week at woosteroh.com/recreation/soccer.
