RECREATION

WSA is a non-profit, volunteer organization that works in cooperation with the Wooster Recreation Department to encourage and support participation in soccer. WSA strives to provide participants with experiences that build confidence, good health, team spirit, and civic responsibility. Our goal is to reach high standards of good sportsmanship and proficiency in soccer skills. We also wish to foster a sense of mutual support and respect throughout Wayne County's soccer community (recreational, traveling, high school, and college leagues).
