

THE CARING CLOSET

& BOUTIQUE

The Caring Closet of Wooster is a non profit that provides clothing, accessories, personal items and personal hygiene items to the women and their children transitioning out of the domestic abuse shelter at One-Eighty, Julia's Place. Great care is taken to select outfits and items to fill their closets and dressers from the information they provide.

They are also The Closet for The Christian Children's Home and provide clothing, new shoes and any needed items for the children in foster care through the Christian Children's Home of Ohio.

Mark your calendars for two GIANT yard sales! Together with their neighbors @enjoiwoo, the Caring Closet will be hosting 4 DAYS of amazing deals on the lawn with items brought in by our volunteers and excess inventory from The Caring Closet & Boutique

They will have plenty of new items at the second sale so if you're in town, you'll want to plan to make it to both!
