

RESOLUTION NO. 2023-67

A RESOLUTION AUTHORIZING THE EXPENDITURE OF FUNDS
TO REMOUNT AND REFURBISH A 2013 AMBULANCE ONTO A
NEW CHASSIS, AND ALLOWING FOR IMMEDIATE
ENACTMENT

WHEREAS, the Division of Fire seeks to extend the useful life of an ambulance originally purchased in 2013; and

WHEREAS, this option allows the Division of Fire to effectively replace the ambulance in a much shorter time than a new one could be purchased; and

WHEREAS, it is now necessary to seek legislative authority to exceed the \$50,000 threshold, which will come from budgeted funds.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF
WOOSTER, OHIO:

SECTION 1. That the City is authorized to exceed the \$50,000 threshold for reconditioning and remounting an existing Horton Ambulance unit (current Unit a 2013 model) onto a new chassis.

With respect to such purchase(s), the Director of Administration will advertise according to law and enter into a purchase contract with the lowest and best bidder, except that if the item is available through a state-sponsored cooperative purchasing program, or can be accomplished through a vendor upon equivalent terms, conditions and specifications, but at a price which is equal to or lower than that which is available from the state sponsored program, s/he may make such purchase therefrom if s/he determines that the price and availability is more advantageous to the City.

SECTION 2. The cost of such purchase(s) will not exceed the amount(s) budgeted.

SECTION 3. This Council finds and declares that all formal actions concerning and relating to the adoption of this Resolution occurred in an open meeting of this Council or its committees, in compliance with law.

SECTION 4. This Resolution shall take effect and be in force from and after the earliest period allowed by law.
