GET INVOLVED

- **Becoming a Mentor**
 - Becoming a Mentor in the Strive Mentoring Program benefits an individual by providing a sense of "doing good" when they invest in the life of young person. The one on one mentoring and group activities impact a young person's life by offering them guidance, positive companionship and encouragement as they navigate the teen years.
 - The program is funded through the Wayne County Juvenile Court and is a wonderful opportunity for an adult volunteer in our community to make a positive impact on the next generation. Many of us talk about wanting to make a difference and this is an excellent opportunity to do just that. All of our mentors are background checked, receive training, participate in group activities and are supported by the staff at Catholic Charities.
 - Watch the [Strive Mentoring Video](#) for more information.
- **Meeting Times**
 - 3rd Monday of the month from 6-8 PM.
- **How to Join**
