CLUB OF WOOSTER

ABOUT US

Kiwaniis is a global organization of volunteers, dedicated to improving the world, one child and one community at a time.

Children are our "priority one", which means that all of our efforts are directed at improving the lives of young people in the community. We do this through a variety of programs and partnerships, including the Kiwanis Playground at Christmas Run Park and Safety Town, a week-long event that teaches children all about safety!
