MORE INFORMATION

- Location**
 - The Wayne County Children's STEAM Playlab is a brand-new children's science center being built in Dalton, Ohio.
 - We hope to open in 2024.
- Where we serve**
 - We serve at schools, fairs, and other children's events in our community by providing hands-on activities that connect students back to science, technology, engineering, arts and mathematics.
- Brain Boxes**
 - a children's STEAM box the community can purchase to support the Playlab and to enjoy STEAM activities with their family
- Volunteer**
 - If you volunteer with us, you will for sure have a great time and build some great relationships with our board.
